At the close of business on the Record Date, there were [ ] shares of Common Stock outstanding, [ ] shares of our Series E Preferred Stock outstanding, [ ] shares of our Series E-1 Preferred Stock outstanding and [ ] shares of our Series F-1 Preferred Stock outstanding.

*Common Stock:* Each share of our Common Stock outstanding as of the Record Date is entitled to one vote per share on all matters properly brought before the Annual Meeting.

*Series E Preferred Stock:* Each share our of Series E Preferred Stock outstanding as of the Record Date has the right to vote on all matters presented to the stockholders for approval (other than the Charter Amendment Proposal, as described herein), together with the shares of Common Stock and Series F Preferred Stock, voting together as a single class, on an as-converted to Common Stock basis, based on a conversion price of \$10.00 per share and stated value of \$1,000 per share, subject to the Beneficial Ownership Limitation. The voting of the Series E Preferred Stock is limited by the certificates of designation for such Series E Preferred Stock, which provide that the Company shall not affect any conversion of the Series E Preferred Stock, and a holder of Series E Preferred Stock will not have the right to convert any portion of the Series E Preferred Stock, to the extent that, after giving effect to the conversion, the holder (together with its affiliates and any persons acting as a group together with the holder or any of the holder’s affiliates) (such persons, “Attribution Parties”), would beneficially own in excess of the Beneficial Ownership Limitation. For purposes of determining the Beneficial Ownership Limitation, the number of shares of Common Stock beneficially owned by such holder and its affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of the Series E Preferred Stock with respect to which such determination is being made, but will exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted portion of Series E Preferred Stock beneficially owned by such holder or any of its affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained in the certificate of designations, beneficially owned by such holder or any of its affiliates or Attribution Parties. To the extent that the Beneficial Ownership Limitation applies, the determination of whether the Series E Preferred Stock is convertible (in relation to other securities owned

by such holder together with any affiliates and Attribution Parties) and of how many shares of Series E Preferred Stock are convertible is in the sole discretion of such holder. The “Beneficial Ownership Limitation” is 4.99% (or, upon written election by a holder which is delivered to the Company prior to the issuance of any shares of Series E Preferred Stock to such holder, 9.99%) of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of Series E Preferred Stock held by the applicable holder. Additional Information regarding the Beneficial Ownership Limitation can be found in the Certificate of Designation of Preferences, Rights and Limitations of Series E Convertible Preferred Stock and Certificate of Designation of Preferences, Rights and Limitations of Series E-1 Convertible Preferred Stock, incorporated by reference as Exhibits 4.1 and 4.2 to the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2022

*Series F-1 Preferred Stock:* Each share of Series F-1 Preferred Stock outstanding as of the Record Date has the right to vote on all matters presented to the stockholders for approval (other than the Charter Amendment Proposal and the Series F Nasdaq Conversion Proposal, as described herein), together with the shares of Common Stock and Series E Preferred Stock (subject to the Beneficial Ownership Limitation), voting together as a single class, on an as-converted to Common Stock basis, based on a conversion price of \$3.30 per share and stated value of \$1,000 per share, subject to the Maximum Percentage Limitation and Share Cap. The voting of the Series F-1 Preferred Stock is limited by the Series F Certificate of Designation (as defined below), which provides that the Company shall not affect any conversion of the Series F-1 Preferred Stock, and the portion of the Series F-1 Preferred Stock shall not automatically convert, to the extent that, after giving effect to the conversion, the holder and its affiliates and Attribution Parties would beneficially own in excess of the Maximum Ownership Limitation. For purposes of determining the Maximum Ownership Limitation, the number of shares of Common Stock beneficially owned by such holder and its affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of the Series F-1 Preferred Stock with respect to which such determination is being made, but will exclude the number of shares of Common Stock which are issuable upon (i) exercise of the remaining unconverted portion of the Series F-1 Preferred Stock beneficially owned by such holder or any of its affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained in the Certificate of Designation, beneficially owned by such holder or any of its affiliates or Attribution Parties. To the extent that the Maximum Ownership Limitation applies, the determination of whether the Series F-1 Preferred Stock is convertible (in relation to other securities owned by such holder together with any affiliates and Attribution Parties) and of how many shares of Series F-1 Preferred Stock are convertible is in the sole discretion of such holder. The “Maximum Ownership Limitation” is 9.99% (or, upon written election by a holder which is delivered to the Company prior to the issuance of any shares of Series F-1 Preferred Stock to such holder, any other percentage not in excess of 19.99% of the issued and outstanding Common Stock immediately after giving effect to the issuance of Common Stock issuable upon conversion of the Series F-1 Preferred Stock if exceeding that limit would result in a change of control under Nasdaq Listing Rule 5635(b)) of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of Series F-1 Preferred Stock held by the applicable holder. In addition, until the Series F Nasdaq Conversion Proposal is approved by the requisite vote of our stockholders, the number of shares of Common Stock that shall be deemed issued upon conversion of the Series F-1 Preferred Stock (for purposes of calculating the aggregate votes the holders of Series F-1 Preferred

Stock are entitled to on an as-converted Common Stock basis) will be equal to the number of shares of Common Stock equal to 19.9% of the Company's outstanding Common Stock on March 27, 2023 (or 2,016,327 shares of Common Stock). We refer to this limitation as the "Share Cap."

Additional Information regarding the Maximum Ownership Limitation and the Share Cap can be found in the Certificate of Designation of Preferences, Rights and Limitations of Series F Convertible Voting Preferred Stock (the "Series F Certificate of Designation"), incorporated by reference as Exhibit 3.1 to the Company's Current Report on Form 8-K filed with the SEC on March 29, 2023.

Whether or not you intend to attend the Annual Meeting, we urge you to vote by proxy through the internet or telephone as instructed below, or by completing a proxy card as soon as possible.

You may vote using the following methods:

Go to <http://www.proxyvote.com> to complete an electronic proxy card. Your vote must be received by 11:59 p.m. (Eastern Time) on June 11, 2023, to be counted.

Complete, sign, date and return the proxy card that you may request or that was delivered to you and return it promptly in the envelope provided. If you return your signed proxy card to use before the Annual Meeting, your shares will be voted as you direct.

In addition, you may vote online before the Annual Meeting. To do so, during the Annual Meeting, visit our Annual Meeting website at [www.virtualshareholdermeeting.com/DCTH2023](http://www.virtualshareholdermeeting.com/DCTH2023). You will be asked to provide the 16-digit control number included on your Notice, your proxy card that you request or that was delivered to you or the instructions that accompanied your proxy materials. Once you have logged onto the Annual Meeting, please follow the instructions to vote your shares. If you do not have your 16-digit control number, you will be able to access and listen to the Annual Meeting, but you will not be able to vote your shares or submit questions.

*Beneficial Ownership: Shares Registered in the Name of Bank, broker or other nominee*

If, on the Record Date, your shares were held not in your name, but rather in an account at a bank, broker or other nominee, then you are the beneficial owner of shares held in “street name.” Your bank, broker or other nominee is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you should have received a notice containing voting instructions from your bank, broker or other nominee rather than from us. Simply follow the instructions in the notice to ensure that your vote is counted. Please also note that since you are not the stockholder of record, you may only vote your shares during the Annual Meeting if you request and obtain a valid 16-digit control number from your bank, broker or other nominee. Beneficial owners who attend the Annual Meeting should follow the instructions at [www.virtualshareholdermeeting.com/DCTH2023](http://www.virtualshareholdermeeting.com/DCTH2023) to vote during the Annual Meeting.

registered directly in your name with our transfer agent, American Stock Transfer and Trust Company, LLC, you are a stockholder of record. As a stockholder of record, you may vote online during the Annual Meeting, vote by proxy through the internet or telephone or vote by proxy using a proxy card that you may request or that was delivered to you. Whether or not you intend to attend the Annual Meeting, we urge you to vote by proxy through the internet or telephone as instructed below, or by completing a proxy card as soon as possible.

**Quorum.** The presence at the Annual Meeting, in person virtually or represented by proxy, of the holders of a majority of the shares of the Company’s Common Stock and Preferred Stock (on an as-converted to Common Stock basis, subject to the Beneficial Ownership Limitation with respect to the Series E Preferred Stock and the Maximum Ownership Limitation and Share Cap with respect to the Series F-1 Preferred Stock) issued and outstanding and entitled to vote at the Annual Meeting will constitute a quorum for purposes of voting at the Annual Meeting. Attendance at the Annual Meeting, albeit virtual, constitutes presence in person for purposes of a quorum. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining the existence of a quorum.

**Broker non-votes.** A broker “non-vote” occurs when a nominee, such as a bank or broker, holding shares in “street name” for a beneficial owner, returns the proxy but abstains from voting on a particular proposal because, under most circumstances, such nominee does not have discretionary authority to vote on proposals unless it has received instructions from the beneficial owner of the securities on how to vote those securities. Under applicable rules, such nominees do not have discretionary authority to cast votes on non-routine matters without instructions from the beneficial owner of the securities. If you do not provide your bank, broker or other nominee with instructions on how to vote your shares held in “street name,” your bank, broker or other nominee will have discretionary authority to vote your shares with respect to “routine” proposals, but not with respect to “non-routine” proposals.

- Routine proposal. We have been advised by the New York Stock Exchange (“NYSE”) that the Ratification Proposal is a routine proposal and may be voted upon by your bank, broker or other nominee if you do not submit voting instructions to your bank, broker or other nominee.
- Non-routine proposals. We have been advised by the NYSE that the Director Election Proposal, the Charter Amendment Proposal, the Plan Proposal, the Say-on-Pay Proposal and the Frequency of Say-on-Pay Proposal are non-routine proposals and may not be voted upon by your bank, broker or other nominee in the absence of specific instructions from you as to how you

would like your shares to be voted. **If you hold your shares in “street name,” we strongly encourage you to provide instructions regarding the voting of your shares because your bank, broker or other nominee cannot vote your shares with respect to these proposals without voting instructions from you.**

(1) While similar proposals are typically considered to be “routine” matters under NYSE rules, we have been advised by the NYSE that this proposal is considered to be a “non-routine” matter under NYSE rules given our current lack of sufficient unissued and unreserved shares of Common Stock to effect the issuance of any shares pursuant to the proposed share increase under the Plan Proposal (the Plan Proposal is also considered to be a non-routine matter). Accordingly, we expect broker non-votes to exist with respect to this proposal.

With respect to the proposal concerning the frequency of advisory votes on executive compensation, the Board recommends that the advisory vote take place every “**ONE**” year. - How to revoke your proxy.** Your proxy is revocable. The procedure you must follow to revoke your proxy depends on how you hold your shares.
- If you are a registered holder of our Common Stock or Preferred Stock, you may revoke a previously submitted proxy by submitting another valid proxy (whether by telephone, the Internet or mail) or by providing a signed letter of revocation to the Corporate Secretary of the Company before the closing of the polls at the virtual annual meeting on June 11, 2023. Only the latest-dated validly executed proxy will count. You also may revoke any previously submitted proxy and vote your shares online during the virtual annual meeting; however, simply attending the Annual Meeting in virtual format without taking one of the above actions will not revoke your proxy.
- If you hold shares in “street name,” in general, you may revoke a previously submitted voting instruction by submitting to your bank, broker or other nominee another valid voting instruction (whether by telephone, the Internet or mail) or a signed letter of revocation. Please contact your bank, broker or other nominee for detailed instructions on how to revoke your voting instruction and the applicable deadlines. Please note that your attendance at the virtual annual meeting in and of itself will not be sufficient to revoke your proxy.
- Expenses and solicitation.** We will bear the cost for the solicitation of proxies, including printing and mailing costs. In addition to the solicitation of proxies by mail, proxies may also be solicited personally by directors, officers and employees of Delcath, without additional compensation to these individuals. We will request that banks, brokers and other firms holding shares in their names that are beneficially owned by others forward proxy materials to and obtain proxies from such beneficial owners, and will, upon request, reimburse such banks, brokers and other firms for their reasonable out-of-pocket costs.
- We have engaged Alliance Advisors, LLC (“Alliance”) as the proxy solicitor for the Annual Meeting for a base fee of \$35,000, plus fees for additional services. ## PROPOSAL 1: ELECTION OF TWO CLASS II DIRECTORS

Our certificate of incorporation and bylaws, each as currently amended and in effect, state that our Board will consist of a number of directors that will be fixed exclusively by the Board from time to time in accordance with the bylaws of the Company. Our Board has fixed the number of directors comprising the Board at six members. Each director holds office until his or her successor is duly elected and qualified or until his or her death, incapacity, resignation or removal. Any vacancy in the Board, including a vacancy that results from an increase in the number of directors, may be filled only by the vote of a majority of the remaining directors then in office. Our certificate of incorporation also provides that our Board is divided into three classes of directors, with the classes as nearly equal in number as possible. Subject to any earlier resignation or removal in accordance with the terms of our certificate of incorporation and bylaws, our current Class II directors, if elected, will serve until the Company's 2026 annual meeting of stockholders; our current Class I directors will serve until the 2025 annual meeting of stockholders; and our current Class III directors will serve until the 2024 annual meeting of stockholders. Any additional directorships resulting from an increase in the number of directors will be apportioned by our Board among the three classes as equally as possible.

Our Board has nominated Elizabeth Czerepak and John R. Sylvester for election as Class II directors at the Annual Meeting, to serve until the Company's 2026 annual meeting of stockholders. Both of the nominees are presently directors, and both have indicated a willingness to continue to serve as director, if elected. If a nominee becomes unable or unwilling to serve, proxies may be voted for substitute nominees selected by our Board.

**PROPOSAL 2: TO APPROVE AN AMENDMENT OF THE COMPANY'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE TOTAL NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 40,000,000 TO 80,000,000 SHARES**

We are asking our stockholders to approve an amendment to our Amended and Restated Certificate of Incorporation to increase our authorized number of shares of Common Stock from 40,000,000 shares to 80,000,000 shares (the "Charter Amendment Proposal"). In April 2023, the Board adopted resolutions unanimously approving the proposed amendment to our Amended and Restated Certificate of Incorporation, in substantially the form of Appendix B hereto. At that time, the Board determined the proposed amendment and increase of the Common Stock to be advisable and in the best interests of the Company and our stockholders and is accordingly submitting the proposed amendment and increase of the Common Stock for approval by our stockholders.

If stockholders approve this proposal, we expect to file the amendment to our Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware to increase the total number of authorized shares of our Common Stock as soon as practicable following stockholder approval. In this regard, upon filing of the amendment to our Restated Certificate of Incorporation with the Secretary of State of the State of Delaware, Article FOURTH of the Amended and Restated Certificate of Incorporation would be amended as follows, with the proposed additions double-underlined and proposed deletions stricken through:

"FOURTH: The total number of all classes of shares of capital stock which the Corporation shall have authority to issue is ninety million (90,000,000), consisting of ten million (10,000,000) shares of Preferred Stock, with a par value of \$.01 per share, and eighty million (80,000,000) shares of Common Stock, with a par value of \$.01 per share."

As of the close of business on April 20, 2023, of our 40,000,000 authorized shares of common stock, there were 10,620,462 shares of common stock issued and outstanding. In addition to the 10,620,462 shares of common stock outstanding on April 20, 2023, there were 1,135,721 shares reserved for issuance pursuant to outstanding preferred E and E-1 shares, there were 7,545,455 shares reserved for issuance pursuant to outstanding preferred F-1 shares, there were 16,545,155 shares reserved for issuance pursuant to outstanding warrants, there were 488,031 shares reserved for issuance pursuant to convertible debt and 3,350,877 shares reserved for issuance under our various equity compensation plans. As of April 21, 2023, there were 102,449 shares unreserved for any specific purpose remaining available for issuance. **Accordingly, at present, there are not sufficient available unissued and unreserved authorized shares of our common stock to meet the needs of our business described below under " — Reasons for the Increase in Authorized Shares".**

The proposed amendment to our Amended and Restated Certificate of Incorporation would increase the number of shares of Common Stock that we are authorized to issue from 40,000,000 shares of Common Stock to 80,000,000 shares of Common Stock, representing an increase of 40,000,000 shares of authorized Common Stock, with a corresponding increase in the total authorized capital stock, which includes Common Stock and Preferred Stock, from 50,000,000 shares to 90,000,000 shares.

**Reasons for the Increase in Authorized Shares**

We have had minimal revenue to date, and have a substantial accumulated deficit, recurring operating losses and negative cash flow. We are not profitable and have incurred losses in each year since commencing operations. For the years ended December 31, 2022 and 2021, we incurred net losses of approximately \$36.5 million and \$25.6 million, respectively and expect to continue to incur losses in 2023. To date, we have funded operations through a combination of private placements and public offerings of our securities, debt financing including convertible notes. If we continue to incur losses, we may exhaust our capital resources, and as a result may be unable to complete our clinical trials, engage in product development and the regulatory approval process and commercialization of CHEMOSAT and HEPZATO or any other versions of these products.

## [Table of Contents](#)

If we are unable to raise capital or generate sufficient revenue, we may not be able to pay our debts when they become due and may have to seek protection under federal bankruptcy law or enter into a receivership. As of the date of this Proxy Statement, other than future issuances under the Company's equity compensation plans (including any additional shares available pursuant to the Plan Proposal) and future issuances of the Company's securities under the Purchase Agreement (as defined below and described in Proposal 4), including issuance of shares upon exercise of outstanding warrants of the Company, the Company currently has no plans or arrangements to issue the additional authorized shares of Common Stock that would be available as a result of the approval of the Authorized Share Increase Proposal. Our Board believes it is appropriate to increase our authorized shares of Common Stock so that we have shares of Common Stock available to provide additional flexibility to promptly and appropriately use our Common Stock for business and financial purposes in the future, as well as to have sufficient shares available to provide appropriate equity incentives for our employees and other eligible service providers. The additional shares of Common Stock, if approved, may be used for various purposes without further stockholder approval. These purposes may include: raising capital; providing equity incentives to employees, officers, directors, consultants and/or advisers; establishing collaborative or partnering arrangements with other companies; expanding our business through the acquisition of other businesses, products or technologies; and other purposes. In light of our capital needs, we regularly consider fund raising opportunities and may decide, from time to time, to raise capital based on various factors, including market conditions and our plans of operation.

In this regard, if the Board determines that raising additional capital through issuing the additional shares of Common Stock is desirable, we want to be able to act quickly if market conditions are favorable. Given the lack of sufficient available unissued and unreserved authorized shares of our common stock, if this Proposal 2 is not approved, we will not be able to raise future capital without first obtaining stockholder approval for an increase in the number of authorized shares of Common Stock. The cost, prior notice requirements and delay involved in obtaining stockholder approval at the time that corporate action may be necessary or desirable could completely eliminate our ability to opportunistically capitalize on favorable market windows, which could delay or preclude our ability to advance our development and potential commercialization efforts. In addition, our success depends in part on our continued ability to attract, retain and motivate highly qualified management and clinical personnel, and if the Authorized Share Increase Proposal is not approved by our stockholders, the lack of unissued and unreserved authorized shares of Common Stock to provide future equity incentive opportunities that the Compensation and Stock Option Committee of the Board (the "Compensation Committee") deems appropriate could adversely impact our ability to achieve these goals. In summary, if our stockholders do not approve this Proposal 2, we may not be able to access the capital markets; continue to conduct the research and development and clinical and regulatory activities necessary to bring any other product candidates to market; complete future corporate collaborations and partnerships; attract, retain and motivate employees, officers, directors, consultants and/or advisers; and pursue other business opportunities integral to our growth and success, all of which could severely harm our business and our prospects.

The Board believes that the proposed increase in authorized common stock will make sufficient shares available for the conversion of the Series F Preferred Stock (as defined below and described in Proposal 4) and to provide the additional flexibility necessary to pursue our strategic objectives. Over the past several years, our authorized Common Stock has allowed us the flexibility to pursue a number of financing transactions that were key to enabling our support of our HEPZATO development program while at the same time enabling us to continue to provide the employee equity incentives that we deem necessary to attract and retain key employees. Unless our stockholders approve this Proposal 2, we will not have any unissued and unreserved authorized shares of Common Stock to support the growth needed for HEPZATO and any development of other product candidates by engaging in similar transactions in the future and to respond to compensatory needs by implementing new or revised equity compensation plans or arrangements, all of which could severely harm our business and our prospects.

### **Effects of the Increase in Authorized Shares**

The additional Common Stock to be authorized by adoption of the amendment would have rights identical to the current outstanding Common Stock of the Company. Adoption of the proposed amendment and issuance of the Common Stock would not affect the rights of the holders of currently outstanding Common Stock, except for effects incidental to increasing the number of shares of the Common Stock outstanding, such as dilution of the earnings per share and voting rights of current holders of Common Stock. The additional shares of Common Stock authorized by the approval of this proposal could be issued by the Board without further vote of our stockholders except as may be required in particular cases by our Amended and Restated Certificate of Incorporation, applicable law, regulatory agencies or Nasdaq listing rules. Under our Amended and Restated Certificate of Incorporation, stockholders do not have preemptive rights to subscribe to additional securities that may be issued by us, which means that current stockholders do not have a prior right thereunder to purchase any new issue of Common Stock in order to maintain their proportionate ownership interests in the Company.

The increase in our authorized shares of Common Stock could also have an anti-takeover effect, in that additional shares could be issued (within the limits imposed by applicable law) in one or more transactions that could make a change in control or takeover of the Company difficult. For example, additional shares could be issued by us so as to dilute the stock ownership or voting rights of a person seeking to obtain control of the Company. Similarly, the issuance of additional shares to certain persons allied with our management could have the effect of making it more difficult to remove our management by diluting the stock ownership or voting rights of persons seeking to cause such removal. Although this proposal to approve the amendment of our Amended and Restated Certificate of Incorporation to increase the total number of authorized shares of Common Stock has been prompted by business and financial considerations and not by the threat of any hostile takeover attempt (nor is the Board currently aware of any such attempts directed at us), and the Board does not intend or view the proposed increase in the number of authorized shares of our Common Stock as an anti-takeover measure, stockholders should nevertheless be aware that approval of this proposal could facilitate future efforts by us to deter or prevent changes in control, including transactions in which our stockholders might otherwise receive a premium for their shares over then-current market prices.

### **Vote Required**

The affirmative vote of a majority of the shares of Common Stock outstanding and entitled to vote is required for the approval of this proposal. Holders of Preferred Stock may not vote on the Charter Amendment Proposal. Abstentions will have the same effect as a vote “against” this proposal. We have been advised by NYSE that this proposal is considered “non-routine” under NYSE rules, however, given the voting standard, broker non-votes will have the same effect as a vote “against” this proposal.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE APPROVAL OF PROPOSAL 2.**

### **PROPOSAL 3: APPROVAL OF AN AMENDMENT TO THE DELCATH SYSTEMS, INC. 2020 OMNIBUS EQUITY INCENTIVE PLAN**

We are asking our stockholders to approve an amendment to the Company's 2020 Omnibus Equity Incentive Plan, as previously amended in 2021 (which we refer to as the "2020 Plan"), to increase the number of shares of the Company's Common Stock available for issuance under the 2020 Plan by 2,650,000. We are proposing the increase in the number of shares available under the 2020 Plan to enable us to continue offering effective equity compensation to our employees, non-employee directors and consultants and to take advantage of the significant motivation and retention benefits provided by equity compensation. Our Board unanimously approved the proposed amendment of the 2020 Plan (which we refer to as the "Plan Amendment") on April 17, 2023, subject to stockholder approval at the Annual Meeting. If approved by the stockholders, the Plan Amendment will become effective as of the date of the Annual Meeting.

On February 14, 2023, the Company filed a New Drug Application resubmission to the U.S. Food and Drug Administration ("FDA") for the Company's lead product candidate, HEPZATO KIT (melphalan hydrochloride for injection/hepatic delivery system) seeking approval of the HEPZATO KIT in the treatment of patients with unresectable hepatic-dominant metastatic ocular melanoma, or mOM, a type of primary liver cancer. The Company needs to hire additional employees to supplement our current 52 employees in order to prepare for U.S. commercialization of HEPZATO KIT, to expand our clinical development activities to include a broader set of solid tumors, to build out our manufacturing and sales capabilities and for other operations. We do not view the 129,167 shares remaining currently available for grant under the 2020 Plan as sufficient to allow us to execute on our near-term plans, and the proposed increase in the share reserve under the 2020 Plan is expected to provide sufficient shares available for approximately the next year as we scale the business. We are not able to provide a public forecast as to the level of total shares outstanding and utilization of equity awards as a result of the unpredictability of the underlying assumptions and estimates. In particular, our actual usage of stock plan shares for employee awards under the 2020 Plan will be impacted by changes in the number and level of our employees, the type of equity awards we grant, our potential growth and activities, the financial impact of grants and financing activities, as well as other factors, such as industry performance and general business, economic, regulatory, market and financial conditions. These general factors and ones specific to our business are difficult to predict, many are beyond our control and some or all could combine to change the expected life of the stock plan request.

If approved by our stockholders, the Plan Amendment will increase by 2,650,000 shares of Common Stock the current authorization of 2,475,000 shares of Common Stock for equity compensation awards, for a total share reserve under the 2020 Plan as proposed to be amended of 5,475,000 shares of Common Stock.

In determining the amount of the increase contemplated by the Plan Amendment, the Board has taken into consideration the analysis conducted by our compensation consultant F. W. Cook, which looked to manage annual share spend, total overhang levels and competitive market grant practices in an appropriate manner. The analysis considered that we have a large number of outstanding in-the-money warrants and convertible preferred shares, which results in a capital structure that has approximately 22,098,226 shares of common stock and common stock equivalents outstanding.

The proposed reservation of an additional 2,650,000 shares under the 2020 Plan is most appropriately considered as twelve percent (12%) of the totality of common share equivalents with the in-the-money warrants and convertible preferred shares included.

Another factor considered is our anticipated "burn rate" for issuances of new awards under the 2020 Plan over the next two years, which is defined generally as (a) shares subject to options and other awards granted in the year, divided by (b) weighted-average common shares and common share equivalents outstanding for the applicable year (common share equivalents include in-the-money warrants and convertible preferred shares). Taking into account our hiring plans over that period, we believe that our burn rate will be approximately six

percent (6%) if awards are granted as stock options; the Board believes that a burn rate of approximately six percent (6%) is a reasonable burn rate.

As of April 21, 2023, only 129,167 shares of Common Stock remained available for grant of future equity awards under the 2020 Plan. We believe that the additional 2,650,000 reserved shares will be sufficient to provide an adequate number of awards to the new employees that the Company intends to hire in order to build out its team as discussed above, as well as to provide additional incentive awards to the Company's current employees, consistent with the market for their services, over that period of time. This increase will improve the Company's ability to grant equity awards that are competitive with the levels of equity compensation provided by the companies with which it competes to attract and retain talented executives and other key employees.

The Board recommends that the stockholders approve the Plan Amendment. If the requisite stockholder approval of the Plan Amendment is not obtained, the Plan Amendment will not take effect. Due to our current lack of sufficient unissued and unreserved shares of Common Stock, if the Plan Amendment is approved by our stockholders, the Plan Amendment will not become effective until the effectiveness of an amendment to our Amended and Restated Certificate of Incorporation to increase our authorized number of shares of Common Stock in at least an amount sufficient to cover the Plan Amendment. Accordingly, even if the Plan Amendment is approved by our stockholders, if our stockholders do not also approve the Charter Amendment Proposal, then we would again need to seek approval of our stockholders to amend our Amended and Restated Certificate of Incorporation to increase the number of authorized shares of our Common Stock and only after such approval is obtained and the related amendment to our Amended and Restated Certificate of Incorporation is effective, would the Plan Amendment become effective. We may be unable to do so in a timely manner or at all, in which case, even if the Plan Amendment is approved by our stockholders, the effectiveness of the Plan Amendment may be substantially delayed or precluded all together.

### ***Description of the 2020 Plan***

The following is a summary of the material terms of the 2020 Plan, as proposed to be amended pursuant to the Amendment. This summary is qualified in its entirety by reference to the full text of the 2020 Plan (as amended if this Proposal 3 is approved), marked to show the changes implemented by the Plan Amendment, attached as [Appendix A](#) to this Proxy Statement. The 2020 Plan is not a tax-qualified deferred compensation plan under Section 401(a) of the Internal Revenue Code of 1986, as amended (the "Code") and is not intended to be an employee benefit plan within the meaning of the Employee Retirement Income Security Act of 1974.

**Administration.** Our Board has the authority to interpret the terms and conditions of the 2020 Plan, to determine eligibility for and terms of awards for participants and to make all other determinations necessary or advisable for the administration of the 2020 Plan. The Board may delegate its authority to any committee of the Board (the Board or such committee is referred to below as the "Administrator"). To the extent consistent with applicable law, the Administrator may further delegate the ability to grant awards to our Chief Executive Officer or other of our officers. In addition, subcommittees may be established to the extent necessary to comply with Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

**Eligible Award Recipients.** Our non-employee directors, employees and consultants, and any individual to whom we or our affiliates have extended a formal offer of employment (provided that no grants to such individuals can become effective until they actually commence employment), are eligible to receive awards under the 2020 Plan. As of April 21, 2023, approximately 52 employees, and 5 directors, were eligible to participate in the 2020 Plan.

**Awards.** Awards under the 2020 Plan may be made in the form of incentive stockoptions, non-qualified options, stock appreciation rights, restricted stock awards, restricted stock unit awards, performance awards, other stock-based awards or cash awards.

**Shares Subject to the 2020 Plan.** Subject to adjustment as set forth below, the total number of shares of Common Stock reserved and available for grant and issuance pursuant to awards under the 2020 Plan is equal to 2,475,000 (assuming that the stockholders approve the Plan Amendment), the full amount of which may be issued pursuant to incentive stock options. For purposes of counting shares against the share reserve, awards denominated in shares of Common Stock and other awards that may be exercised for, settled in or convertible into shares of Common Stock will be counted against the 2020 Plan reserve on the date of grant of the award based on the maximum number of shares that may be issued pursuant to the award, as determined by the Administrator.

**Award Limits.** With respect to any one participant (other than a non-employee director), during any calendar year, (i) the maximum number of shares of Common Stock underlying options and stock appreciation rights that may be granted under the 2020 Plan is 500,000 shares; (B) the maximum number of shares of Common Stock subject to restricted stock awards, awards of restricted stock units and other stock-based awards that may be granted under the 2020 Plan is 500,000 shares; and (C) the maximum amount of a cash award that may be paid is \$3,000,000. No director, in any approximate 12-month period beginning on the date of a regular annual meeting and ending on the date of the next regular annual meeting may be granted awards, that, together with any cash fees received from the Company during such period, exceed an aggregate value of \$750,000 (with value of each equity award based on its grant date fair value).

### **Terms and Conditions of Awards**

- **Options and Stock Appreciation Rights.** An “incentive stock option” is an option that meets the requirements of Section 422 of the Code, and a “non-qualified stock option” is an option that does not meet those requirements. A “stock appreciation right” (or SAR) is the right of a participant to a payment, in cash, shares of Common Stock, or a combination of cash and shares equal to the amount by which the market value of a share of Common Stock exceeds the base price of the stock appreciation right. An option or SAR granted under the 2020 Plan will be exercisable only to the extent that it is vested on the date of exercise. No option or SAR may be exercisable more than ten years from the grant date. The Administrator may include in the option agreement the period during which an option may be exercised following termination of employment or service. SARs may be granted to participants in tandem with options or separately. Tandem SARs will generally have substantially similar terms and conditions as the options with which they are granted. The exercise price or base price per share under each option or SAR granted under the 2020 Plan may not be less than 100% of the fair market value of the Company’s Common Stock on the grant date of such award. For this purpose, and for so long as the Company’s Common Stock is listed on the Nasdaq Stock Market, fair market value of the Common Stock will be the closing price of the Company’s Common Stock on the grant date. The 2020 Plan prohibits repricing of options and SARs without stockholder approval.
- **Restricted Stock and Restricted Stock Units.** Restricted stock is an award of Common Stock on which certain restrictions are imposed over specified periods that subject the shares to a substantial risk of forfeiture. A restricted stock unit is a unit, equivalent in value to a share of Common Stock, credited by means of a bookkeeping entry in our books to a participant’s account, which is settled in stock or cash upon or after vesting. Subject to the provisions of the 2020 Plan, the Administrator will determine the terms and conditions of each award of restricted stock or restricted stock units, including the restricted/vesting period for all or a portion of the award, and the restrictions applicable to the award. Restricted stock and restricted stock units granted under the 2020 Plan will vest based on a period of service specified by our Administrator or the occurrence of events specified by our Administrator. Unless otherwise provided in an award agreement, dividends declared with respect restricted stock will be held back and paid only to the extent the related restricted stock vests. Further, dividend equivalent rights may be granted with respect to restricted stock units, entitling the participant to receive, subject to the vesting conditions applicable the restricted stock unit, an amount equal to cash or stock dividends or other distributions paid by the Company in respect of one share of Common Stock.

- **Performance Awards.** Performance awards may be granted as an option, stock appreciation right, restricted stock award, restricted stock unit award, other stock-based award or cash award. Performance awards will be based on the attainment of performance goals that are established by the Administrator for the relevant performance period prior to the grant of the award. The Administrator will determine and set forth in the award agreement such terms as (i) the nature, length and starting date of any performance period; (ii) the applicable performance goals that shall be used to determine the time and extent to which the award has been earned; and (iii) the effect of a termination of participant's service on a performance award. At the end of the applicable performance period, the Administrator will determine the extent to which a performance award has been earned, including the extent to which performance goals have been attained and the degree of achievement between minimum and maximum levels.
- **Other Stock-Based Awards and Cash Awards.** The Administrator may grant other stock-based awards or cash awards not otherwise described by the terms of the 2020 Plan. Other stock-based awards are payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of the Company's Common Stock, including, but not limited to, shares of Common Stock awarded as a bonus or other compensation which are issued without restrictions on transfer and free from forfeiture conditions. A cash award is an award denominated in cash that is subject to such performance goals and service requirements as specified by the Administrator in the applicable award agreement.
- **Termination of Employment.** Except as otherwise determined by the Administrator, in the event a participant's employment terminates for any reason other than "cause" (as defined in the 2020 Plan), all of such participant's unvested options and SARs will be forfeited and all vested options and SARs will remain exercisable until the 90th day following the date of termination (or the expiration of the award's maximum term, whichever is earlier); however, in the event of termination by reason of death or "disability" (as defined in the 2020 Plan), vested options and SARs will remain exercisable for 12 months (or the expiration of the award's maximum term, whichever is earlier). Except as otherwise determined by the Administrator, in the event of a participant's termination for cause, all unvested and vested options then outstanding will immediately be forfeited and canceled. Further, for all other types of awards under the 2020 Plan, the Administrator may specify in any award agreement that a participant's award will be forfeited upon termination for cause.
- **Other Forfeiture Provisions; Clawback.** All awards granted under the 2020 Plan will be subject to recoupment in accordance with the Company's clawback policy or applicable law. In addition, the Board may impose such other clawback, recovery or recoupment provisions in an award agreement or compensation clawback policy as the Board determines necessary or appropriate, including a reacquisition right in respect of previously acquired shares of Common Stock or other cash or property upon the occurrence of an event constituting cause. Further, unless otherwise provided in an award agreement, if at any time within 1 year after an award is exercised, vests, becomes payable, either (i) the participant is terminated for cause, or (ii) the committee determines that while in service the participant had engaged in an act which would have warranted termination for cause, or following termination of service the participant violated continuing obligation or duty to the Company, the Administrator may require the participant to pay back to the Company any gain realized by the participant.
- **Change in Capitalization or Other Corporate Event.** The number or amount of shares of stock, other property or cash covered by outstanding awards, the number and type of shares of stock that have been authorized for issuance under the 2020 Plan, the exercise or base price (as applicable) of each outstanding award, and the other terms and conditions of outstanding awards, will be subject to adjustment by the Administrator in the event of any stock dividend, extraordinary dividend, stock split or share combination or any recapitalization, merger, consolidation, exchange of shares, spin-off, liquidation or dissolution of the Company or other similar transaction affecting the

## [Table of Contents](#)

Company's Common Stock. Any such adjustment would not be considered repricing for purposes of the prohibition on repricing described above.

- **Effect of a Change in Control.** The Administrator has the ability to prescribe the effect of a future change in control in the award agreement or otherwise, including, for example, settlement of awards based on the consideration provided for in the agreement pursuant to which the change in control awards. Unless otherwise determined by the Committee, no accelerated vesting of awards will occur if awards are assumed and/or replaced in the change in control with substitute awards unless the participant's employment is involuntarily terminated without "cause" within 12 months following the date of the change in control.
- **Deferrals of Payment.** Under the 2020 Plan, the Administrator may determine that payment pursuant to an award shall be deferred and may establish programs and procedures for deferral elections to be made by participants, provided that such deferrals will be made in accordance with Section 409A of the Code.
- **Non-Transferability.** The 2020 Plan restricts the ability of an award holder from transferring awards granted under the 2020 Plan other than by will, the laws of descent and distribution or, with the prior approval of the Administrator.
- **Amendment and Termination.** The Board may, in its discretion, amend or terminate the 2020 Plan at any time; provided that the Board may not take any action that materially impairs the rights of any participant with respect to an outstanding award without the consent of the participant. Stockholder approval is required (i) to materially increase the number of shares subject to the 2020 Plan (other than pursuant to an equitable adjustment in connection with changes relating to the Company's Common Stock as permitted under the 2020 Plan); (ii) to materially expand the class of individuals eligible to receive awards under the 2020 Plan; (iii) materially reduce the price at which Common Stock may be issued or purchased under the 2020 Plan; (iv) materially extend the term of the 2020 Plan; (v) materially expand the types of awards available for issuance under the 2020 Plan, or (vii) as otherwise required by applicable law.
- **Term of the 2020 Plan.** The term of the 2020 Plan extends for a period of ten years from September 30, 2020 and, accordingly, will remain in effect unless sooner terminated through September 30, 2030.

### **Federal Income Tax Consequences**

The following is a brief summary of the intended United States federal income tax consequences applicable to awards granted under the 2020 Plan. The discussion below is based upon United States federal income tax laws in effect as of the date of this Proxy Statement. This summary is not intended to be exhaustive and does not address all matters that may be relevant to a particular participant based on his or her specific circumstances, or the tax consequences of any awards granted to participants who reside outside of the United States.

**Nonqualified Stock Options.** Nonqualified stock options will not be taxable to a participant at grant but generally will result in taxation at exercise, at which time the participant will recognize ordinary income in an amount equal to the difference between the option's exercise price and the fair market value of a share of our Common Stock on the exercise date. The Company will be entitled to deduct a corresponding amount as a business expense in the year the participant recognizes this income, subject to Section 162(m) of the Code.

**Incentive Stock Options.** A participant will generally not recognize ordinary income on receipt or exercise of an incentive stock option (an "ISO") so long as he or she has been an employee of the Company or its subsidiaries from the date the ISO was granted until three months before the date of exercise; however, the amount by which the fair market value of the shares of our Common Stock on the exercise date exceeds the exercise price is an adjustment in computing the participant's alternative minimum tax in the year of exercise. If

## [Table of Contents](#)

the participant holds the shares of our Common Stock received on exercise of the ISO until at least one year after the date of exercise (and for at least two years from the date of grant of the ISO), any difference between the amount realized upon the disposition of the shares and the amount paid for the shares will be treated as long-term capital gain (or loss, if applicable) to the participant. If the participant exercises an ISO and satisfies these holding period requirements, the Company may not deduct any amount in connection with the ISO. If the participant exercises an ISO but engages in a “disqualifying disposition” by selling the shares acquired on exercise before the expiration of the one and two-year holding periods described above, the participant generally will recognize ordinary income (for regular income tax purposes only) in the year of the disqualifying disposition equal to the excess, if any, of the fair market value of the shares on the date of exercise over the exercise price; and any excess of the amount realized on the disposition over the fair market value on the date of exercise will be taxed as long- or short-term capital gain (as applicable). If, however, the fair market value of the shares on the date of the disqualifying disposition is less than on the date of exercise, the participant will recognize ordinary income equal only to the difference between the amount realized on the disqualifying disposition and the exercise price. In either event of a disqualifying disposition, the Company will generally be entitled to deduct an amount equal to the amount constituting ordinary income to the participant in the year of the disqualifying disposition, subject to Section 162(m) of the Code.

**Stock Appreciation Rights.** There are no immediate tax consequences to a participant when a stock appreciation right is granted. When a participant exercises a stock appreciation right, the participant will recognize ordinary income equal to the amount of cash and the fair market value of any shares received. The Company will generally be entitled to deduct the same amount as a business expense in the same year, subject to Section 162(m) of the Code.

**Restricted Stock.** The recognition of income from an award of restricted stock for federal income tax purposes depends on the restrictions imposed on the shares. Generally, taxation will be deferred until the first taxable year the shares are no longer subject to substantial risk of forfeiture. At the time the restrictions lapse, the participant will recognize ordinary income equal to the then fair market value of the stock. The participant may, however, make an election, within 30 days following the date the shares are issued, to include the value of the shares in gross income in the year of the award despite such restrictions; in such case, any subsequent appreciation of the shares will be treated as a capital gain. Generally, the Company will be entitled to deduct the fair market value of the shares transferred to the participant as a business expense in the year, and in the same amount, that the participant includes the compensation in income, subject to Section 162(m) of the Code.

**Restricted Stock Units.** Generally, a participant will not recognize ordinary income until Common Stock, cash, or other property becomes payable under a restricted stock unit, even if the award vests in an earlier year. The Company will generally be entitled to deduct the amount the participant includes in income as a business expense in the year of payment, subject to Section 162(m) of the Code.

**Performance Awards.** Generally, a participant will not incur any income tax liability upon the initial grant of performance awards. At the end of the performance or measurement period, however, the participant will generally realize ordinary income on any amounts received in cash or shares of our Common Stock, and any subsequent appreciation in shares will be treated as a capital gain (unless the award is in the form of an option or stock appreciation right in which case the tax consequences described above for such awards will generally apply). The Company will generally be entitled to deduct the amount the participant includes in income as a business expense in the year of payment, subject to Section 162(m) of the Code.

**Other Stock-Based Awards and Cash Awards.** Any cash payments or the fair market value of any shares of our Common Stock or other property a participant receives in connection with other stock-based awards or cash awards are includable in income in the year received or made available to the participant without substantial limitations or restrictions. The Company will generally be entitled to deduct the amount the participant includes in income as a business expense in the year of payment, subject to Section 162(m) of the Code.

## [Table of Contents](#)

**Section 409A of the Code.** Certain types of awards under the 2020 Plan, such as restricted stock units (and any related dividend equivalent rights), may constitute, or provide for, a deferral of compensation under Section 409A of the Code. Unless certain requirements set forth in Section 409A of the Code are complied with, holders of such awards may be taxed earlier than would otherwise be the case (e.g., at the time of vesting instead of the time of payment) and may be subject to an additional 20% penalty tax (and, potentially, certain interest penalties). To the extent applicable, the 2020 Plan has been, and we intend that awards under the 2020 Plan will be, structured and interpreted in a manner intended to either comply with or be exempt from Section 409A of the Code and the Department of Treasury regulations and other interpretive guidance that may be issued under Section 409A of the Code. To the extent determined necessary or appropriate by the Administrator, the 2020 Plan and applicable award agreements may be amended to further comply with Section 409A of the Code or to exempt the applicable awards from Section 409A of the Code. However, the 2020 Plan does not provide for an indemnity by the Company of any participant for any taxes incurred by reason of Section 409A of the Code.

**Section 162(m) of the Code.** Section 162(m) of the Code generally disallows public companies a tax deduction for federal income tax purposes of remuneration in excess of \$1 million paid to certain executive officers in one year.

**Historical Grant Information.** Options to purchase 550,000 shares, at a purchase price of \$11.67 per share, were conditionally granted under the 2020 Plan to certain employees and non-employee directors on October 1, 2020, subject to approval of the 2020 Plan by the stockholders of the Company, which approval was obtained on November 23, 2020. Such options vest monthly over three years, and vest in full upon a change in control of the Company. On December 7, 2020, an option to purchase 30,000 shares, at a purchase price of \$15.32 per share, was granted to a new employee. Such options vest over three years: one-third on the first anniversary of grant, and thereafter monthly over the remaining two years, and, pursuant to the Option Award Agreements issued under the 2020 Plan, vest in full upon a change in control of the Company. The closing price of our common stock as reported on the Nasdaq Stock Market as of April 20, 2023, the latest practicable date prior to the filing of this Proxy Statement, was \$5.80.

### **New Plan Benefits**

All future awards granted under the 2020 Plan will be made at the discretion of the Compensation Committee and, accordingly, are not yet determinable. In addition, benefits under the 2020 Plan will depend on a number of factors, including the fair market value of our shares on future dates and the exercise decisions made by the participants. Consequently, it is not possible to determine the benefits that might be received by participants under the 2020 Plan. The table below shows the amount of options received under the 2020 Plan in 2022, our last completed fiscal year, by the persons and groups of persons identified in the table. The table does not include any information on future awards under the 2020 Plan.

### **Registration with the Securities and Exchange Commission**

We filed a Registration Statement on Form S-8 with the Securities and Exchange Commission (the “Commission”) for the purpose of registering shares of Common Stock under the 2020 Plan pursuant to the Securities Act of 1933 (the “Securities Act”) and intend to file a Registration Statement on Form S-8 with the Commission as soon as practicable to register additional shares of Common Stock under the 2020 Plan, subject to the approval of the Plan Amendment by our stockholders at the Annual Meeting.

### **Vote Required**

The affirmative vote of a majority of the shares of Common Stock and Preferred Stock voting together as a single class with the holders of the Preferred Stock voting on an as-converted to Common Stock basis, present or represented by proxy at the Annual Meeting and entitled to vote, is required for the approval of this proposal. Abstentions will have the same effect as a vote “against” this proposal. Since we have been advised by NYSE that this proposal is considered “non-routine” under NYSE rules, broker non-votes will have no effect on this proposal.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE APPROVAL OF PROPOSAL 3.**

Includes (a) stock options for an aggregate of 499 shares of Common Stock issued under the Company's 2019 Equity Incentive Plan, which allows for grants in the form of incentive stock options, nonqualified stock options, stock units, stock awards, stock appreciation rights, and other stock-based awards to the Company's officers, directors, employees, consultants, and advisors, including options to purchase shares of common stock at exercise prices not less than 100% of fair value on the dates of grant. As of November 2, 2020, no additional grants may be made under this plan, which has been superseded by the Company's 2020 Omnibus Equity Incentive Plan; however, outstanding awards granted under this plan will remain outstanding and continue to be administered in accordance with the terms of this plan and the applicable award agreements; and (b) pursuant to an employment agreement dated as of August 31, 2020 between the Company and Gerard Michel, the Company's Chief Executive Officer, on October 1, 2020, a nonqualified and non-plan stock option "inducement award" to purchase 498,000 shares of the Company's common stock in reliance on Nasdaq Listing Rule 5635(c)(4) pursuant to the terms of a stock option award agreement between the Company and Mr. Michel. Additional information about this stock option award can be found elsewhere in this Proxy Statement under the heading "*Agreements with our Named Executive Officers*"; (c) new hire inducement awards to purchase 132,500 shares of the Company's common stock in reliance on Nasdaq Rule 5635(c)(4) pursuant to the terms of a stock option award agreement between the Company and five employees hired during 2022.

**PROPOSAL 4: TO APPROVE THE POTENTIAL ISSUANCE IN EXCESS OF 19.99% OF OUR OUTSTANDING COMMON STOCK UPON THE CONVERSION OF THE SERIES F PREFERRED STOCK AT LESS THAN THE “MINIMUM PRICE” UNDER NASDAQ LISTING RULE 5635(D), AND WHICH MAY BE DEEMED A “CHANGE OF CONTROL” UNDER NASDAQ LISTING RULE 5635(B), PURSUANT TO THE TERMS OF THE CERTIFICATE OF DESIGNATION OF PREFERENCES, RIGHTS AND LIMITATIONS OF SERIES F CONVERTIBLE VOTING PREFERRED STOCK GOVERNING THE SERIES F PREFERRED STOCK**

We are asking our stockholders to consider and vote upon a proposal that provides for the potential issuance of a number of shares of our Common Stock in excess of 19.99% of our outstanding shares of Common Stock upon the conversion of Series F Preferred Stock that we issued in a private placement in March 2023 at less than the “minimum price” under Nasdaq Listing Rule 5635(d), and which may be deemed a “change of control” under Nasdaq Listing Rule 5635(b), pursuant to the terms of the Series F Preferred Stock (the “Series F Nasdaq Conversion Proposal”).

On March 27, 2023, we entered into a securities purchase agreement (the “Purchase Agreement”) with certain accredited investors (each a “Purchaser” and together, the “Purchasers”), pursuant to which we agreed to issue and sell, in a private placement, an aggregate of 24,900 shares of Series F-1 Preferred Stock that are convertible into approximately 7.6 million shares of Common Stock, (ii) tranche A warrants (the “Tranche A Warrant”) to acquire an aggregate of 34,860 shares of Series F-3 Preferred Stock, which is convertible into an aggregate of up to approximately 7.8 million shares of Common Stock (the “Series F-3 Warrant Shares) and (iii) tranche B warrants (the “Tranche B Warrant,” together with the Tranche A Warrant, the “Preferred Warrants”) to acquire an aggregate of up to 24,900 shares of Series F-4 Preferred Stock, which is convertible into an aggregate of up to approximately 4.2 million shares of Common Stock (the “Series F-4 Warrant Shares” and, together with the Series F-3 Warrant Shares, the “Preferred Warrant Shares”) for an aggregate offering price of \$24.9 million. Pursuant to the Certificate of Designation of Preferences, Rights and Limitations of the Series F Convertible Voting Preferred Stock (the “Series F Certificate of Designation”) that was filed with the Delaware Secretary of State on March 28, 2023, each share of Series F-1 Preferred Stock, upon the Stockholder Approval (as defined below), is automatically convertible into shares of Common Stock and/or, if applicable, shares of Series F-2 Preferred Stock, in lieu of Common Stock. The Purchase Agreement contains customary representations, warranties, and covenants of the Company and the Purchasers.

Subject to the terms and limitations contained in the Series F Certificate of Designation and the Preferred Warrants, the Series F-1 Preferred Stock issued in pursuant to the Purchase Agreement will not become convertible into shares of Common Stock and/or Series F-2 Preferred Stock and the Preferred Warrants will not become exercisable until our stockholders approve (i) the issuance of all Common Stock upon conversion of the Series F-1 Preferred Stock, the Series F-2 Preferred Stock and the Preferred Warrant Shares and (ii) the issuance of the Preferred Warrant Shares upon exercise of the Preferred Warrants (collectively, the “Stockholder Approval”). On the first trading day following the announcement of the Stockholder Approval, each share of Series F-1 Preferred Stock shall automatically convert into Common Stock, at the conversion price of \$3.30 per share, subject to the terms and limitations contained in the Series F Certificate of Designation. The Tranche A Warrant is exercisable upon Stockholder Approval until the earlier of 21 days following the Company’s announcement of receipt of approval from the FDA of our New Drug Application for HEPZATO (“FDA Approval”), which announcement shall be made promptly after receipt of such written approval, and March 31, 2026. The Tranche B Warrant is exercisable upon Stockholder Approval until the earlier of 21 days following our announcement of receipt of recording at least \$10 million in quarterly U.S. revenue from the commercialization of HEPZATO and March 31, 2026; provided, however, that if the FDA Approval occurs on or before February 15, 2024 and the holder of the Tranche B Warrant has not exercised its Tranche A Warrant by or before March 7, 2024, then any Series F-4 Preferred Stock not yet issued pursuant to the Tranche B Warrant at such time shall expire. Subject to the limitations set forth in the Series F Certificate of Designation, at the option of the holder, each share of Series F-2 Preferred Stock, Series F-3 Preferred Stock or Series F-4 Preferred Stock shall be convertible into Common Stock, at the conversion price of \$3.30 per share, \$4.50 per share and \$6.00

per share, respectively, rounded down to the nearest whole share, and in each case subject to the terms and limitations contained in the Series F Certificate of Designation.

Holders of Series F Preferred Stock are entitled to one vote for each share of Common Stock into which their Series F Preferred Stock is then-convertible on all matters submitted to a vote of stockholders, other than the Charter Amendment Proposal and this Series F Nasdaq Conversion Proposal, as described herein; provided that until the Stockholder Approval is obtained, the number of shares of Common Stock that shall be deemed issued upon conversion of the Series F Preferred Stock (for purposes of calculating the aggregate votes the holders of Series F Preferred Stock are entitled to on an as-converted Common Stock basis) will be subject to the Share Cap, which is equal to the number of shares of Common Stock equal to 19.9% of the Company's outstanding Common Stock on March 27, 2023 (or 10,061,988 shares of Common Stock).

The Series F Certificate of Designation provides that holder of Series F Preferred Stock shall not effect any conversion of the Series F Preferred Stock and such Series F Preferred Stock shall not be automatically converted, to the extent that, after giving effect to the conversion, the holder and its affiliates and Attribution Parties would beneficially own in excess of the Maximum Ownership Limitation. For purposes of determining the Maximum Ownership Limitation, the number of shares of Common Stock beneficially owned by such holder and its affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of the Series F Preferred Stock with respect to which such determination is being made, but will exclude the number of shares of Common Stock which are issuable upon (i) exercise of the remaining unconverted portion of the Series F Preferred Stock beneficially owned by such holder or any of its affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained in the Series F Certificate of Designation, beneficially owned by such holder or any of its affiliates or Attribution Parties. To the extent that the Maximum Ownership Limitation applies, the determination of whether the Series F Preferred Stock is convertible (in relation to other securities owned by such holder together with any affiliates and Attribution Parties) and of how many shares of Series F Preferred Stock are convertible is in the sole discretion of such holder. The "Maximum Ownership Limitation" is 9.99% (or, upon written election by a holder which is delivered to the Company prior to the issuance of any shares of Series F Preferred Stock to such holder, any other percentage not in excess of 19.99% of the issued and outstanding Common Stock immediately after giving effect to the issuance of Common Stock issuable upon conversion of the Series F Preferred Stock if exceeding that limit would result in a change of control under Nasdaq Listing Rule 5635(b)) of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of Series F Preferred Stock held by the applicable holder; provided that (i) any such increase in the Maximum Ownership Limitation will not be effective until the sixty-first (61st) day after such notice is delivered to the Company and (ii) any such increase or decrease will apply only to such holder (together with its affiliates) and not to any other holder of Series F Preferred Stock.

Additional information concerning the Purchase Agreement, Series F Certificate of Designation and Series F Preferred Stock is contained in our Current Report on Form 8-K filed with the SEC on March 29, 2023, which is incorporated by reference herein.

### **Why We Need Stockholder Approval**

Our Common Stock is listed on The Nasdaq Capital Market, and as a result, we are subject to Nasdaq's Listing Rules, including Nasdaq Listing Rule 5635. Below is an overview of the relevant provisions of Nasdaq Listing Rule 5635 as they relate to the issuance of Common Stock upon conversion of the Series F Preferred Stock and the Series F Nasdaq Conversion Proposal.

#### Nasdaq Listing Rule 5635(d)(2)

Pursuant to Nasdaq Listing Rule 5635(d)(2), stockholder approval is required prior to the issuance of securities in connection with a transaction (or a series of related transactions) other than a public offering

## [Table of Contents](#)

involving the sale, issuance or potential issuance of Common Stock (or securities convertible into or exercisable for Common Stock) equal to 20% or more of the Common Stock or 20% or more of the voting power outstanding before the issuance at a price that is less than the lower of (i) the Nasdaq Official Closing Price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement; or (ii) the average Nasdaq Official Closing Price of the Common Stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the binding agreement (the “Minimum Price”). On March 24, 2023, the last trading date prior to the signing of the Purchase Agreement, the closing price of our Common Stock was \$4.84 and the average closing price of our Common Stock for the five trading days immediately preceding March 24, 2023 was \$4.49. As described above, upon Stockholder Approval, each share of Series F-1 Preferred Stock shall automatically convert into Common Stock, at the conversion price of \$3.30 per share, and/or, if applicable, shares of Series F-2 Preferred Stock, subject to the terms and limitations contained in the Series F Certificate of Designation. Subject to the limitations set forth in the Series F Certificate of Designation, at the option of the holder, each share of Series F-2 Preferred Stock, and upon exercise of the Tranche A Warrant and Tranche B Warrant, Series F-3 Preferred Stock or Series F-4 Preferred Stock, respectively, shall be convertible into Common Stock, at the conversion price of \$3.30 per share, \$4.50 per share and \$6.00 per share, respectively, rounded down to the nearest whole share, and in each case subject to the terms and limitations contained in the Series F Certificate of Designation. Therefore, the conversion of the Series F Preferred Stock may result in the issuance of Common Stock in excess of 19.99% of our outstanding shares of Common Stock at less than the Minimum Price. Accordingly, we are seeking stockholder approval pursuant to Nasdaq Listing Rule 5635(d)(2). The stockholder approval requirement described above was included in the Purchase Agreement and Series F Certificate of Designation to comply with Nasdaq Listing Rule 5635(d)(2).

### Nasdaq Listing Rule 5635(b)

Pursuant to Nasdaq Listing Rule 5635(b), stockholder approval is required prior to an issuance of securities that could result in a “change of control” of a listed company, which for Nasdaq purposes, is generally deemed to occur when, as a result of an issuance, an investor or a group of investors acquires, or has the right to acquire, 20% or more of the outstanding equity or voting power of the company and such ownership or voting power would be the company’s largest ownership position. As described above, upon Stockholder Approval, each share of Series F-1 Preferred Stock shall automatically convert into Common Stock, and, if applicable, shares of Series F-2 Preferred Stock, and at the option of the holder, each share of Series F-2 Preferred Stock, and upon exercise of the Tranche A Warrant and Tranche B Warrant, Series F-3 Preferred Stock or Series F-4 Preferred Stock, respectively, shall be convertible into Common Stock, in each case subject to the terms and limitations contained in the Series F Certificate of Designation. As a result, the issuance of shares of Common Stock upon the conversion of the Series F Preferred Stock with respect to the transactions contemplated by the Purchase Agreement may result in the issuance of shares of Common Stock in excess of 19.99% of the issued and outstanding Common Stock as of the date of the Purchase Agreement. Accordingly, we are also seeking stockholder approval pursuant to Nasdaq Listing Rule 5635(b).

### **Potential Effects of Approval of this Proposal**

If the Series F Nasdaq Conversion Proposal is approved, the issuance of shares of our Common Stock upon conversion of Series F Preferred Stock would dilute, and thereby reduce, each existing stockholder’s proportionate ownership in our Common Stock. For example, the Purchase Agreement provides that immediately upon the Company’s announcement of Stockholder Approval, the Series F-1 Preferred Stock shall automatically convert into Common Stock, at the conversion price of \$3.30 per share, subject to the terms and limitations contained in the Series F Certificate of Designation, resulting in the issuance of approximately 7.6 million shares of Common Stock, which would increase our Common Stock outstanding as of March 31, 2023 from 10,081,634 shares to 17,627,088 shares (an increase of 75%); provided that if the issuance of Common Stock upon conversion of Series F-1 Preferred Stock would result in a holder exceeding the Maximum Ownership Limitation, such excess shares of Series F-1 Preferred Stock shall convert into Series F-2 Preferred Stock. Furthermore, conversion of the Series F-3 Preferred Stock and Series F-4 Preferred Stock, subject to the terms

## [Table of Contents](#)

and limitations contained in the Series F Certificate of Designation, would result in the issuance of approximately 7.8 million shares of Common Stock and approximately 4.2 million shares of Common Stock, respectively, which would increase our Common Stock Outstanding as of March 31, 2023 from 10,081,634 shares to 29,523,735 shares (an increase of 193%). Our stockholders do not have preemptive rights to subscribe to additional shares that may be issued by us upon conversion of Series F Preferred Stock in order to maintain their proportionate ownership of the Common Stock. Such issuances could also dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary corporate transaction opposed by the Company. In addition, upon conversion of the Series F Preferred Stock there would be a greater number of shares of our Common Stock eligible for sale in the public markets. Any such sales, or the anticipation of the possibility of such sales, represents an overhang on the market and could depress the market price of our Common Stock.

### **Potential Effects of Non-Approval of this Proposal**

If the Series F Nasdaq Conversion Proposal is not approved by our stockholders at the Annual Meeting, the Series F-1 Preferred Stock will not become convertible into Common Stock and Series F-2 Preferred Stock, if applicable, and the Tranche A Warrants and Tranche B Warrants will not become exercisable for Series F-3 Preferred Stock and Series F-4 Preferred Stock, respectively. Accordingly, we will be unable to issue any shares of Common Stock underlying the Series F Preferred Stock. Additionally, pursuant to the terms of the Purchase Agreement we are obligated to submit the Series F Nasdaq Conversion Proposal for approval of our stockholders at least semi-annually until such approval is obtained.

### **Vote Required**

The affirmative vote of a majority of the shares of Common Stock and Series E Preferred Stock voting together as a single class with the holders of the Series E Preferred Stock voting on an as-converted to Common Stock basis, cast at the Annual Meeting, is required for the approval of this proposal. Under the applicable, Nasdaq listing rules, shares of the Series F Preferred Stock are not entitled to vote on an as-converted to Common Stock basis on this proposal. Abstentions will have the same effect as a vote “against” this proposal. Since we have been advised by NYSE that this proposal is considered “non-routine” under NYSE rules, broker non-votes will have no effect on this proposal.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE “FOR” THE APPROVAL OF PROPOSAL 4.**

**PROPOSAL 5: RATIFICATION OF THE SELECTION, BY THE AUDIT COMMITTEE OF OUR BOARD OF DIRECTORS, OF MARCUM LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2023**

The Audit Committee has appointed Marcum LLP (“Marcum”) as Delcath’s independent registered public accounting firm for the fiscal year ending December 31, 2023. Marcum also served as Delcath’s independent registered public accounting firm for the fiscal year ended December 31, 2022.

Although ratification by our stockholders is not required by law or by our bylaws, the Audit Committee believes that submission of its selection to our stockholders is a matter of good corporate governance. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in Delcath’s best interests and in the best interests of our stockholders. If our stockholders do not ratify the selection of Marcum, the Audit Committee will take that fact into consideration, together with such other factors as it deems relevant, in determining its next selection of an independent registered public accounting firm.

Representatives of Marcum are expected to be present at the Annual Meeting, and will have the opportunity to make a statement if he or she (or they) so desires and to respond to appropriate questions.

**Fees Paid to Independent Registered Public Accounting Firms.**

The aggregate fees billed to the Company by Marcum for professional services rendered as our independent registered public accounting firm during the fiscal years ended December 31, 2021 and 2022, respectively, were:

	Fiscal Year	
	2021	2022
Audit Fees	\$139,400	\$226,900
Audit-Related Fees	45,000	36,000
Tax Fees	—	—
All Other Fees	—	—
<b>Total</b>	<b>\$184,400</b>	<b>\$262,900</b>

**Audit Fees.** These are fees for services rendered in connection with the audit of the annual financial statements included in our Annual Reports on Form 10-K; the review of the financial statements included in our Quarterly Reports on Forms 10-Q; and for services that are normally provided by an independent auditor in connection with statutory and regulatory filings or engagements.

**Audit-Related Fees.** Marcum performed assurance and related services that were reasonably related to the performance of the audit or review of our financial statements for the years ended December 31, 2021 and 2022.

**Tax Fees.** Marcum did not perform any tax compliance services for us during the years ended December 31, 2021 and 2022.

**All Other Fees.** Marcum did not receive any other fees from us for the years ended December 31, 2021 and 2022.

**Pre-Approval Policies: Audit and Non-Audit Services.**

The Audit Committee pre-approves all audit services and the terms of such services and permissible non-audit services provided by Delcath’s independent registered public accounting firm, prior to its engagement for the provision of such services. The Chair of the Audit Committee has been delegated the authority by the committee to pre-approve interim services by Delcath’s independent registered public accounting firm; provided

---

that the Chair reports all such pre-approvals to the entire Audit Committee at the next Audit Committee meeting. There were no non-audit services provided to Delcath by our independent registered public accounting firm for 2021 and 2020 that required review by the Audit Committee.

**Vote Required**

The affirmative vote of a majority of the shares of Common Stock and Preferred Stock voting together as a single class with the holders of the Preferred Stock voting on an as-converted to Common Stock basis, present or represented by proxy at the Annual Meeting and entitled to vote, is required for the approval of this proposal. Abstentions will have the same effect as a vote “against” this proposal. Since this proposal is considered “routine” under NYSE rules, we do not expect broker non-votes to exist in connection with this proposal.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE SELECTION, BY THE AUDIT COMMITTEE OF OUR BOARD OF DIRECTORS, OF MARCUM LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2023.**

**PROPOSAL 6: APPROVAL, ON A NON-BINDING, ADVISORY BASIS, OF THE NAMED EXECUTIVE OFFICER COMPENSATION AS DISCLOSED IN THIS PROXY STATEMENT**

In accordance with Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act and the related rules of the SEC or the Dodd-Frank Act), we are providing our stockholders with the opportunity to vote on a non-binding, advisory resolution to approve the compensation of our named executive officers, as disclosed in this Proxy Statement pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and our compensation philosophy, policies and practices described in this Proxy Statement. Accordingly, we ask our stockholders to vote “**FOR**” the following resolution at the meeting:

“RESOLVED, that the compensation of Delcath’s named executive officers, as disclosed in this Proxy Statement pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED.”

The total compensation of our named executive officers consists primarily of base salary, annual incentive cash bonuses and long-term equity incentive awards in the form of stock options and restricted stock awards, as well as other benefits that are available to all Delcath employees. Base salary and annual incentive cash bonuses are viewed as short-term compensation to reward our named executive officers for meeting individual and company performance objectives, while stock options and restricted stock awards are viewed as rewards for improving corporate performance over the long term and increasing stockholder value.

The compensation philosophy and programs for our named executive officers are described in detail under the heading “Executive Compensation.”

**Vote Required**

The resolution that is the subject of this proposal is advisory in nature and, therefore, is not binding on Delcath, the Compensation Committee, or our Board. However, the views expressed by our stockholders, whether through this vote or otherwise, are important to us and our Board and the Compensation Committee intends to take the results of the vote on this proposal into account when considering future decisions regarding the compensation of our named executive officers. The affirmative vote of a majority of the shares of Common Stock and Preferred Stock voting together as a single class with the holders of the Preferred Stock voting on an as-converted to Common Stock basis, present or represented by proxy at the Annual Meeting and entitled to vote, is required for the approval of this proposal. Abstentions will have the same effect as a vote “against” this proposal. Since we have been advised by NYSE that this proposal is considered “non-routine” under NYSE rules, broker non-votes will have no effect on this proposal.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL, ON A NON-BINDING, ADVISORY BASIS, OF THE NAMED EXECUTIVE OFFICER COMPENSATION AS DISCLOSED IN THIS PROXY STATEMENT.**

## **PROPOSAL 7: NON-BINDING ADVISORY VOTE ON FREQUENCY OF ADVISORY VOTE ON EXECUTIVE COMPENSATION**

Pursuant to Section 14A of the Exchange Act, as created by Section 951 of the Dodd-Frank Act, and the rules and regulations promulgated thereunder, we are required, at least once every six years, to afford our stockholders the opportunity to cast an advisory vote on how often our stockholders shall have a non-binding advisory vote on the compensation of the named executive officers, such as Proposal 6 above. Accordingly, we are asking our stockholders to vote on whether future non-binding advisory votes on the named executive officers' compensation should occur every year, every two years, or every three years. In lieu of voting for one of these options, stockholders may also abstain from voting. Our stockholders last voted on the frequency of the advisory vote on executive compensation in 2017, when 85.76% of the votes cast recommended that such votes be held on an annual basis. Accordingly, our stockholders have voted, on a non-binding advisory basis, on the compensation of our Named Executive Officers annually since 2017.

After careful consideration, the Board believes it is appropriate for executive compensation to continue to be submitted to an advisory vote of stockholders on an annual basis. An annual advisory vote on the compensation of our named executive officers will allow us to continue to obtain our stockholders' views with respect to the compensation of our named executive officers and our executive compensation program and practices on a consistent basis. Further, a vote every year is consistent with the Company's commitment to engage in regular dialogue with our stockholders on corporate governance matters, including our executive compensation philosophy, policies and programs.

For the reasons discussed above, the Board recommends that future non-binding advisory votes on executive compensation be conducted every year. While the Board recommends that future non-binding advisory votes on executive compensation be conducted every year, stockholders are not voting to approve or disapprove the Board's recommendation. Rather, stockholders are being asked to vote on the following resolution:

**"RESOLVED**, that the stockholders of Delcath Systems, Inc. determine, on a non-binding advisory basis, that the frequency with which the stockholders should have an advisory vote on executive compensation set forth in the Company's Proxy Statement for its annual meeting of stockholders, commencing with the 2024 Annual Meeting of Stockholders, is (i) every year, (ii) every two years, or (iii) every three years."

Stockholders may choose among the three choices included in the resolution above, or may abstain from voting on this proposal.

While this advisory vote is required by Section 14A of the Exchange Act, the voting result is not binding on our Board and may not be construed as overruling any decision by the Board. However, the Board and the Compensation Committee value the views of our stockholders and will review and give serious consideration to the outcome of the vote when making the determination as to the frequency of future say-on-pay votes. It is expected that the next stockholder advisory vote as to the frequency of presenting "say-on-pay" advisory votes will occur at the 2029 annual meeting of stockholders.

### **Required Vote**

Approval of this resolution requires that one of the three frequency choices receive a majority of the votes cast by the holders of the shares of Common Stock and Preferred Stock voting together as a single class, with the holders of the Preferred Stock voting on an as-converted to Common Stock basis, present or represented by proxy at the Annual Meeting and entitled to vote. Delcath, the Compensation Committee, or our Board value the opinions of the stockholders in this matter and, to the extent there is any significant vote in favor of one frequency over the other options, even if less than a majority, the Board will consider the stockholders' concerns and evaluate any appropriate next steps. However, because this vote is advisory and, therefore, not binding on the

---

[Table of Contents](#)

Board or Delcath, the Board may decide that it is in the best interests of the stockholders that we hold an advisory vote on executive compensation more or less frequently than the option preferred by the stockholders. The vote will not be construed to create or imply any change or addition to the fiduciary duties of us or the Board.

Abstentions will be counted towards the vote total but will not be counted as a vote in favor of any of the frequency options, and thus will have the effect of reducing the likelihood that any frequency option receives a majority vote. Since we have been advised by NYSE that this proposal is considered “non-routine” under NYSE rules, broker non-votes will have no effect on this proposal.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR A FREQUENCY OF EVERY YEAR FOR FUTURE NON-BINDING ADVISORY VOTES ON THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS.**

## CORPORATE GOVERNANCE AND RELATED MATTERS

### Board of Directors

We currently have six directors serving on the Board. The Board oversees the business affairs of the Company and monitors the performance of management. In accordance with our corporate governance principles, our Board does not involve itself in the day-to-day operations of the Company. The directors keep themselves informed through discussions with the Chairman of the Board, Mr. Sylvester, Mr. Michel, in his capacity as Director and Chief Executive Officer, or CEO, and other key executives, and by reading the reports and other materials that management sends them and by participating in Board and committee meetings. Our directors hold office until their successors have been elected and qualified unless the director resigns or is removed or by reason of death or other cause is unable to serve in the capacity of director.

### Board Independence

The Board determined each of its non-employee directors that served as a director during the 2022 fiscal year satisfied the criteria for independence in compliance with Nasdaq listing rules. Five of our six directors are “independent” directors within the meaning of the Nasdaq listing rules (Dr. Aharon, Ms. Czerepak, Mr. Salamon, Dr. Stoll and Mr. Sylvester). In making such determination, the Board considered the relationships that each such non-employee director has with the Company and all other facts and circumstances that the Board deemed relevant in determining their independence.

### Attendance

The Board met seven times in 2022 (including regularly scheduled and special meetings). During 2022, each director attended at least 75% of the aggregate of: (i) the total number of meetings of the Board (held during the period for which he or she served as a director) and (ii) the total number of meetings held by all committees of the Board on which he or she served (held during the period for which he or she served on such committees).

The Company has no specific policy regarding director attendance at its annual meetings of stockholders. Each of our directors attended the Company’s 2022 annual meeting of stockholders.

### Board Leadership Structure

John R. Sylvester has served as Non-Executive Chairman of the Board since February 2023 and has been a member of the Board since 2019. It is our policy to separate the Chairman and Chief Executive Officer, or CEO, roles. We believe this structure is appropriate for the Company because it allows our CEO to concentrate on our day-to-day operations, while providing for effective oversight by the Chairman, who is involved in strategic and key matters, such as business strategy, major transactions and the broader business of the Company. For a company like ours that is focused on the development, approval and commercialization of a specialized product in an extremely technical, highly regulated and intensely competitive industry, we believe our CEO is in the best position to lead our management team and to respond to the current pressures and needs of a company in the stage of growth and development of Delcath, with assistance from our Chairman, who also focuses the Board’s attention on the broader issues of business strategy and corporate governance. We believe that having the roles of Chairman and CEO held by different individuals minimizes any potential conflicts that may result from combining the roles of CEO and Chairman, and maximizes the effectiveness of our management and governance processes to the benefit of our stockholders. Our CEO and Chairman regularly consult with each other as part of this structure. The Board believes that no single, one-size-fits-all board leadership model is universally or permanently appropriate and, therefore, regularly evaluates whether the interests of the Company and its stockholders would be best served at any particular time by having one individual hold both roles.

### Nasdaq Listing Rules 5605(f) and 5606

The Nominating and Corporate Governance Committee, in accordance with its charter and the Board’s governance principles, seeks to create a Board that, as a whole, is strong in its collective knowledge and wisdom

with a view to achieving, over time, an appropriate balance of directors with diversified skill sets, backgrounds, experience and viewpoints so that the Board can address the widest possible spectrum of challenges as to vision and strategy, management and leadership, business operations, business judgment, crisis management, risk assessment, industry knowledge, accounting and finance, corporate governance and markets in general for a board of its size. Pursuant to the Nominating and Corporate Governance Committee charter, the Committee is charged with reviewing with the Board, on an annual basis, the current composition of the Board in light of the attributes of independence, skills, background, experience and viewpoints. In considering candidates for the Board, the Nominating and Corporate Governance Committee considers the entirety of each candidate's credentials in the context of these standards.

The Board as currently constituted meets the requirements set out in Nasdaq Listing Rule 5605(f) and met the requirements prior to the Rule's proposal. The following matrix sets forth Board level statistics required by Nasdaq Listing Rule 5606 as of the Record Date for the Annual Meeting, based upon information provided by the directors as to each category:

### Board's Role in Risk Oversight

The Board as a whole is responsible for risk oversight, with reviews in certain areas being conducted by the relevant Board committees. Each of the Board's committees oversees the management of risks associated with their respective areas of responsibility. In performing this oversight function, the committees are assisted by management which provides visibility about the identification, assessment and monitoring of potential risks and management's strategy to mitigate such risks. Key members of management responsible for a particular area report directly to the Board committee charged with oversight of the associated function and, if the circumstances require, the whole Board. The Board committees review various risk exposures with the full Board and otherwise keep the full Board abreast of the committees' risk oversight activities throughout the year, as necessary or appropriate.

### Risk Assessment of Compensation Programs

Our Compensation Committee annually evaluates whether our compensation programs encourage excessive risk-taking by employees at the expense of long-term value of the Company. Based upon its

## [Table of Contents](#)

assessment, including a review of the overall annual award limitations and individual annual limitations in our stock incentive plans and the Compensation Committee's role in the consideration and approval of certain awards, the Compensation Committee does not believe that our compensation programs encourage excessive or inappropriate risk-taking, motivate imprudent risk-taking or create risks that are reasonably likely to have a material adverse effect on the Company.

### **Board Committees**

Our Board has three standing committees: an Audit Committee, a Compensation and Stock Option Committee and a Nominating and Corporate Governance Committee. No individual director is the chair of more than one committee.

### **Audit Committee**

The Audit Committee provides assistance to the Board in fulfilling its oversight responsibilities with respect to our financial statements, our system of internal accounting and financial controls and the independent audit of our financial statements. Functions of the Audit Committee include:

- the selection, evaluation and, where appropriate, replacement of our outside auditors;
- an annual review and evaluation of the qualifications, performance and independence of our outside auditors;
- the approval of all auditing services and permitted non-audit services provided by our outside auditors;
- the review of the adequacy and effectiveness of our accounting and internal controls over financial reporting; and
- the review and discussion with management and with our outside auditors of the Company's financial statements to be filed with the SEC.

The current members of the Audit Committee are Ms. Czerepak (Chair), Mr. Salamon and Dr. Stoll. The Board has determined that each of Ms. Czerepak, Mr. Salamon and Dr. Stoll qualifies as an "audit committee financial expert" as defined by SEC rules. During 2022, the Audit Committee met five times. Each member of the Audit Committee is "independent" within the meaning of the Nasdaq listing rules and otherwise meets the financial statement proficiency requirements of the Nasdaq listing rules. The Audit Committee has a written charter, that satisfies the applicable listing standards of Nasdaq and can be accessed on our website; go to [www.delcath.com](http://www.delcath.com), click on "Investors," then "Corporate Governance."

### **Compensation and Stock Option Committee**

The Compensation and Stock Option Committee, or the Compensation Committee, assists the Board in the discharge of the Board's responsibilities with respect to the compensation of our directors, executive officers, and other key employees and consultants. The Compensation Committee establishes our overall compensation philosophy and is authorized to approve the compensation payable to our executive officers, including our named executive officers, and other key employees, including all perquisites, equity incentive awards, cash bonuses, and severance packages. The Compensation Committee also administers certain of the Company's employee benefit plans, including its equity incentive plans, and is responsible for assessing the independence of compensation consultants and legal advisors. The Compensation Committee exercises sole power to retain compensation consultants and advisors and to determine the scope of the associated engagements. During the fiscal year 2022, our Compensation Committee engaged Frederick W. Cook & Co., Inc. in an effort to better align our compensation program with best practices. The current members of the Compensation Committee are Mr. Sylvester (Chair), Dr. Stoll, and Dr. Aharon, each of whom is "independent" within the meaning of the Nasdaq listing rules. During 2022, the Compensation Committee met seven times. The Compensation Committee has a written charter, that satisfies the applicable listing standards of Nasdaq and can be accessed on our website; go to [www.delcath.com](http://www.delcath.com), click on "Investors," then "Corporate Governance."

## **Nominating and Corporate Governance Committee**

The Nominating and Corporate Governance Committee, or the Nominating Committee, is responsible for identifying individuals qualified to become Board members, and recommends to the Board the director nominees to be proposed by the Board for election by the stockholders (as well as any director nominees to be appointed by the Board to fill interim vacancies). The Nominating Committee also recommends the directors to be selected for membership on each Board committee. The Nominating Committee is also responsible for developing and recommending to the Board appropriate corporate governance guidelines and policies, and for leading the Board in its annual review of the Board's performance. The current members of the Nominating Committee are Mr. Salamon (Chair), Dr. Stoll and Mr. Sylvester, each of whom is "independent," within the meaning of the Nasdaq listing rules. During 2022, the Nominating Committee met four times. The Nominating Committee has a written charter, that satisfies the applicable listing standards of Nasdaq and can be accessed on our website; go to [www.delcath.com](http://www.delcath.com), click on "Investors," then "Corporate Governance."

The Nominating Committee with, when it deems it necessary, the assistance of a third-party search firm, identifies candidates for director nominees. In considering candidates for the Board, the Nominating Committee considers each candidate's credentials as a whole, including, but not necessarily limited to, outstanding achievement in a candidate's personal career, broad and relevant experience, integrity, sound and independent judgment, experience and knowledge of the business environment and markets in which we operate, business acumen, and willingness and ability to devote adequate time to Board duties. The Nominating Committee considers the competencies required of its members in the context of the Board as a whole, including the personal characteristics, experience and background of directors and nominees to facilitate Board deliberations that reflect a broad range of perspectives.

On April 8, 2020, the Company entered into a Board Appointment Agreement with its stockholders, Rosalind Master Fund L.P. and Rosalind Opportunities Fund I L.P., pursuant to which Mr. Salamon and Dr. Aharon were appointed directors of the Company.

## **Recommendations by Stockholders of Director Nominees**

The Nominating Committee will consider any recommendation by a stockholder of a candidate for nomination as a director. If a stockholder wants to recommend a director candidate for consideration by the Nominating Committee, the stockholder should submit the name of the proposed nominee, together with the reasons why the stockholder believes the election of the candidate would be beneficial to the Company and our stockholders and the information about the nominee that would be required in a proxy statement requesting proxies to vote in favor of the candidate. The stockholder's submission must be accompanied by the written consent of the proposed nominee to being nominated by the Board and the candidate's agreement to serve if nominated and elected. Any such submission should be directed to the Nominating Committee at our principal office, 1633 Broadway, Suite 22C, New York, New York 10019. If a stockholder intends to nominate a person for election to the Board at an annual meeting, the stockholder must provide us with written notice of his or her intention no later than the deadline for receiving a stockholder proposal for inclusion in our proxy statement for such meeting and must otherwise comply with our amended and restated certificate of incorporation. Copies of any recommendation received in accordance with these procedures will be distributed to each member of the Nominating Committee. One or more members of the Nominating Committee may contact the proposed candidate to request additional information.

We have entered into indemnification agreements with each of our executive officers and directors. The indemnification agreements require us to indemnify our executive officers and directors to the fullest extent permitted by Delaware law.

### **Related Person Transaction Policy**

We have adopted a written policy for the review and approval or ratification of transactions between the Company and Related Parties (as defined below). Under the policy, our Nominating and Corporate Governance Committee will review the material facts of proposed transactions involving Delcath in which a Related Party will have a direct or indirect material interest. The Nominating and Corporate Governance Committee will either approve or disapprove our entry into the transaction or, if advance approval is not feasible, will consider whether to ratify the transaction. The Nominating and Corporate Governance Committee may establish guidelines for ongoing transactions with a Related Party, and will review such transactions at least annually. If the aggregate amount of the transaction is expected to be less than \$200,000, such approval or ratification may be made by the Chair of the Nominating and Corporate Governance Committee. In determining whether to approve or ratify a transaction with a Related Party, the Nominating and Corporate Governance Committee (or Chair) will consider, among other factors, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party and the extent of the Related Party's interest in the transaction.

Certain transactions are deemed pre-approved under the policy, including compensation of executive officers and directors (except that employment of an immediate family member of an executive officer requires specific approval), and transactions with a company at which the Related Party's only relationship is as a non-officer employee, director, or less than 10% owner if the aggregate amount involved does not exceed 2% of such company's total annual revenues (or, in the case of charitable contributions by us, 1% of the charity's total annual receipts). Pre-approval is not required if the amount involved in the transaction is not expected to exceed \$120,000 in any calendar year.

For purposes of the policy, a "Related Party" is generally anyone who since the beginning of the last full fiscal year is or was an executive officer, director or director nominee, owner of more than 5% of our Common Stock, or immediate family member of any of such persons.

Instead, these amounts reflect the aggregate grant date fair value of each stock option granted computed in accordance with the provisions of Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 718. Assumptions used in the calculation of these amounts are included in Note 12 to our consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2022 filed with the SEC on March 27, 2023. ### Narrative to Summary Compensation Table

Our Compensation Committee is responsible for formulating and establishing our overall compensation philosophy with respect to our executive officers. The Company believes that a strong executive management team comprised of talented individuals in key positions is critical to the development and growth of our business and to increasing stockholder value. Accordingly, a key objective of our executive compensation program is to attract and retain talented and experienced individuals, while motivating them to perform and make decisions consistent with the Company’s business objectives, goals and culture. We emphasize pay-for-performance by linking executive compensation to Company performance. For each executive, the amount of pay that is actually realized is primarily driven by the Company’s performance and each executive’s contribution to that performance.

Our Compensation Committee considers the input it receives from our stockholders when designing and evaluating our executive compensation practices.

*Compensation Components.* The three primary components of our executive compensation are base salary, annual incentive cash awards and long-term equity incentive awards:

- *Base Salary.* We pay our executive officers a base salary, which our Compensation Committee reviews and determines annually. Base salaries are used to compensate our executive officers for performing the core responsibilities of their positions and to provide them with a level of security with respect to a portion of their total compensation. Base salaries are set in part based on the executive’s unique skills, experience and expected contribution to the Company, as well as individual performance, including the impact of such performance on our business results, and the period of the executive’s performance. Decisions regarding base salary increases take into account the executive’s current base salary, third-

party benchmark and survey data, and the salary compensation paid to executive officers within and outside the Company, as well as the Company's overall performance, its ability to afford such increases, its success in achieving its operational and strategic goals and objectives, and the executive officer's contribution to Company performance.

- *Annual Incentive Cash Awards.* Annual incentive compensation is intended to establish a direct correlation between annual cash awards and the performance of the Company. The Company's Annual Incentive Plan, or AIP, is an annual incentive cash bonus plan designed to align the interests of participants with the interests of the Company and its stockholders. The AIP is designed to strengthen the link between a participant's pay and his or her overall performance and the Company's performance, focus participants on critical individual and corporate objectives, offer a competitive cash incentive, and encourage and reward performance and competencies critical to the Company's success.
- *Long-Term Incentive Compensation.* In addition to using base salaries and annual incentive cash bonuses, which our Compensation Committee views as short-term compensation, a portion of our executive compensation is in the form of long-term equity compensation. The Compensation Committee continually evaluates the use of equity-based awards and intends to continue to use such awards in the future as part of the Company's compensation program. Historically, we have used an annual equity-based incentive plan to align participants' interests with those of the Company and its stockholders by rewarding participants for their contributions to the long-term success of the Company.

*Base Salary.* The following table summarizes the amount of base salary and year-over-year increase for each of our named executive officers for 2020, 2021 and 2022:

*Annual Incentive Plan.* Under the AIP, annual incentive target award opportunities are expressed as a percentage of a participant's actual base salary for the performance year, beginning January 1. The following table sets forth, for each named executive officer, the applicable target bonus percentage of base salary to which each named executive officer was entitled during 2022 and the amount actually paid to him.

For 2022, AIP goals were based entirely on Company performance to focus all the executives on the same critical challenges facing the Company. Company performance in 2022 was measured based upon achievement of objectives in the following areas: Clinical Trials, Regulatory, Commercial, Manufacturing and Finance. The Compensation Committee has determined an overall achievement of 50.0%.

*Long Term Incentive Compensation.* Grants have historically been comprised of stock option awards granted each year with the number of shares subject to the awards designed to deliver a competitive value targeted at the mid-market of the executive compensation comparison group.

The Compensation Committee periodically provides long-term equity incentive awards for our named executive officers based upon a holistic assessment of Company and individual performance for the prior year and its view of the appropriate incentives to best help achieve the Company's business objectives. See "*Grants of Plan-Based Awards—2022*" for equity grants to the named executive officers in 2022.

### ***Welfare and Health Benefits***

Our named executive officers are eligible to participate in all of our benefit plans, such as the 401(k) plan (see description under "— Retirement Benefits" below), medical, dental, vision, short-term disability, long-term disability and group life insurance, in each case generally on the same basis as other employees. We do not currently have qualified or nonqualified defined benefit plans or nonqualified deferred compensation plans, nor do we offer pension or other retirement benefits other than our 401(k) plan. Our board of directors may elect to adopt such plans in the future if it determines that doing so is in our best interests.

### ***Retirement Benefits***

The Michel Employment Agreement also provides for severance benefits in connection with certain specified terminations of Mr. Michel's employment, as detailed below under "—Potential Payments upon Termination or Change of Control."

**Dr. John.** Dr. John. has no employment agreement or severance arrangements with the Company.

### ***Potential Payments upon Termination or Change of Control***

Mr. Michel may resign his at-will employment with the Company for "Good Reason" (as defined within the Michel Employment Agreement) and the Company may terminate Mr. Michel's at-will employment other than for "Cause" (as defined within the Michel Employment Agreement). If Mr. Michel resigns his at-will employment for Good Reason or the Company terminates Mr. Michel's employment other than for Cause, then Mr. Michel shall be entitled to his accrued and unpaid compensation and, subject to him entering into and not revoking a general release of claims in favor of the Company and fully complying with the terms of an Employee Confidentiality, Invention Assignment and Restrictive Covenants Agreement (the "Restrictive Covenants Agreement"), Mr. Michel shall also be entitled to:

- A severance payment equal in the aggregate to twelve (12) months of his annual base salary at the time of termination, payable in twelve (12) equal monthly installments (and subject to applicable withholdings and deductions) beginning on the last Company payroll date of the first full month following termination of employment ("Severance Benefits"); and
- If Mr. Michel timely and properly elects health plan (medical, dental and/or vision) continuation coverage under COBRA, the Company will reimburse Mr. Michel in an amount equal to the difference between the monthly COBRA premium paid by Mr. Michel for him and his dependents and the monthly premium amount paid by similarly situated active executives under the Company's group health plans ("COBRA Benefits"). Such reimbursement will be paid to Mr. Michel on or by the last day of the month immediately following the month in which Mr. Michel timely remits the COBRA premium payment. Mr. Michel will be eligible to receive COBRA premium reimbursement until the earliest of: (x) the twelve-month anniversary of the date his employment with the Company terminates; (y) the date Mr. Michel is no longer eligible to receive COBRA continuation coverage; and (z) the date on which Mr. Michel becomes eligible to receive substantially similar coverage from another employer.
- In addition, the Michel Employment Agreement provides that if Mr. Michel's at-will employment is terminated by Mr. Michel for Good Reason or by the Company without Cause, in each case within three (3) months before or twelve (12) months following a change in control of the Company, Mr. Michel shall be entitled to receive his accrued and unpaid compensation and, subject to Mr. Michel entering into and not revoking a general release of claims in favor of the Company and fully complying with the Restrictive Covenants Agreement, Mr. Michel shall be entitled to receive (i) the Severance Benefits, (ii) the COBRA Benefits, (iii) immediate acceleration of any unvested portion of the Option and any other outstanding stock options granted to him at the time of his termination and (iv) a pro-rated annual cash incentive bonus for the fiscal year in which Mr. Michel's employment terminates, as determined by the Board or the Compensation and Stock Option Committee based on its

assessment of the actual performance of the Company and Mr. Michel following the completion of the fiscal year in which the termination of employment occurs; such pro-rated cash incentive bonus to be paid to Mr. Michel in a lump sum no later than 60 days after the filing of the Company's Annual Report on Form 10-K for the fiscal year in which the termination of employment occurs.

Mr. Purpura and the Company have entered into an Executive Security Agreement dated as of March 20, 2018 the purpose of which is to provide to Mr. Purpura severance payments in the event of a qualifying termination of his employment (a termination of his employment by the Company without cause or if the Company gives him a good reason to voluntarily terminate his employment).

In the event that Mr. Purpura's employment is terminated (other than "for cause" (as defined in the Executive Security Agreement) or due to his death or disability) or by Mr. Purpura's resignation for "good reason" (as defined in the Executive Security Agreement), the Company is obligated to pay Mr. Purpura the following amounts or benefits: (a) any accrued but unpaid annual base salary and any other form or type of compensation, benefit or perquisite that was approved by the Company's Board that is vested or accrued on the date of the termination, to be paid in cash in a lump sum within ten calendar days following the date of the termination; (b) payment for any accrued paid time off in accordance with Company policy, to be paid in cash in a lump sum within ten calendar days following the date of the termination; (c) and, if any employee participant of the Company receives an AIP payment for the fiscal year in which Mr. Purpura's termination occurs, he will be entitled to receive a prorated AIP payment (based on the portion of the fiscal year he was employed by the Company) pursuant to the AIP for that fiscal year, subject and according to the terms and conditions of the AIP, with payment to be made at the time the Company pays that fiscal year's AIP payments to its other executives but in no event later than March 15 of the subsequent fiscal year; (d) a severance payment equal to eighteen months (the "Severance Period") of base salary, based upon his annual base salary in effect on the date of the termination, to be paid in cash, less all applicable withholdings and deductions, in approximately equal installments according to the Company's regular payroll schedule over the 18 month period following the termination; provided, however, that no payments will be made prior to the 60th calendar day following the date of the termination. On the 60th calendar day following the date of the termination, the Company will pay Mr. Purpura in a lump sum the amount of the severance payments that he would have received during such 60-day period under the Company's regular payroll schedule, and the balance of such severance will be paid to him in approximately equal installments over the remainder of the Severance Period; (e) if Mr. Purpura elects continuation coverage under COBRA for himself and his covered dependents under the Company's group health and/or dental plans following the termination, then the Company will pay the COBRA premiums necessary to continue his group health and/or dental coverage in effect for himself and his eligible dependents until the earliest of (i) the close of the Severance Period following the date of the termination, (ii) the date Mr. Purpura ceases to participate, for whatever reason, in the Company's group health and/or dental plans, or (iii) the date on which Mr. Purpura is covered or is eligible to be covered under another group health and/or dental plan or is otherwise no longer eligible for coverage under COBRA.

In addition, in the event that there is a "change of control" of the Company and Mr. Purpura's employment has been terminated by the Company other than for "cause" or if Mr. Purpura resigns for "good reason" during the 12 months immediately following the change of control, then on the 60th calendar day following the date of the qualifying termination, Mr. Purpura will receive a lump sum severance payment equal to 18 months of base salary, based upon his annual base salary in effect on the date of the termination.

Dr. John has no employment agreement or severance arrangements with the Company.

- (1) We are a smaller reporting company pursuant to Rule 405 of the Securities Act of 1933 and as such, we are only required to include information for the past two fiscal years in the table.
- (2) For each of the two years presented in the above table, Gerard Michel was our Principal Executive Officer (PEO) and our Non-PEO Named Executive Officers (Non-PEO NEOs) were John Purpura and Johnny John.
- (3) See the Summary Compensation Table above for detail on the Summary Compensation Table total compensation for our PEO for each fiscal year covered in the table. The average total compensation for the Non-PEO NEOs for 2022 was calculated using the Summary Compensation Table above. The average compensation for the Non-PEO NEOs for 2021 was calculated using the Summary Compensation Table as disclosed in our proxy statement filed with the Securities and Exchange Commission in calendar year 2021.
- (4) For purposes of this table, the compensation actually paid (“Compensation Actually Paid”, or “CAP”) to our PEO has been computed in accordance with Item 402(v) of Regulation S-K under the Exchange Act and does not reflect the actual amount of compensation earned by or paid to our PEO during the applicable year. The dollar amounts reported in column (d) represent total compensation as reflected in the above Summary Compensation Table for the applicable year less the grant date fair values of stock option awards included in the “Option Awards” column of the Summary Compensation Table for our PEO for the applicable year, adjusted as follows:

- (a) The grant date fair value of equity awards represents the total of the amounts reported in the “Option Awards” column in the Summary Compensation Table for the applicable year.
- (b) The equity award adjustments for each applicable year include the addition (or subtraction, as applicable) of the following: (i) the year-end fair value of any equity awards granted in the applicable year that are outstanding and unvested as of the end of the year; (ii) the amount of change as of the end of the applicable year (from the end of the prior fiscal year) in fair value of any awards granted in prior years that are outstanding and unvested as of the end of the applicable year; (iii) for awards that are granted and vest in the same applicable year, the fair value as of the vesting date; (iv) for awards granted in prior years that vest in the applicable year, the amount equal to the change as of the vesting date (from the end of the prior fiscal year) in fair value; (v) for awards granted in prior years that are determined to fail to meet the applicable vesting conditions during the applicable year, a deduction for the amount equal to the fair value at the end of the prior fiscal year; and (vi) the dollar value of any dividends or other earnings paid on stock or option

The dollar amounts do not reflect the actual average amount of compensation earned by or paid to the non-PEO NEOs as a group during the applicable year. The following adjustments were made to average total compensation for the Non-PEO NEOs as a group for each year to determine the Compensation Actually Paid, using the same methodology described above in Note 4:

**Analysis of the Information Presented in the Pay Versus Performance Table**

In accordance with Item 402(v) of Regulation S-K, we are providing the following descriptions of the relationships between information presented in the Pay Versus Performance table above.

**Compensation Actually Paid and Cumulative TSR**

The following graph sets forth the relationship between Compensation Actually Paid to our PEO, the average of Compensation Actually Paid to our Non-PEO NEOs, and the Company’s cumulative TSR over the two most recently completed fiscal years.

**Compensation Actually Paid and Net Income (Loss)**

Since we are not a commercial-stage company in the United States, we have incurred net losses during the periods presented. Consequently, we have not historically looked to our net loss as a performance measure for our executive compensation program. Moreover, as a pre-commercial company with no revenue in the United States, we do not believe there is any meaningful relationship between our net loss and compensation actually paid to our NEOs during the periods presented. In 2021 and 2022, our net loss and the compensation actually paid for both our PEO and non-PEO NEOs increased between 2021 and 2022.

All information provided above under the “Pay Versus Performance” heading will not be deemed to be incorporated by reference into any filing of the Company under the Securities Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing, except to the extent the Company specifically incorporates such information by reference.

## HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be “householding” our proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or notify us by sending a written request to: the Corporate Secretary, Delcath Systems, Inc., 1633 Broadway, Suite 22C, New York, New York 10019. You will be removed from the householding program, after which you will receive an individual copy of the proxy materials promptly.

Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

## OTHER MATTERS

We know of no other matters to be brought before the Annual Meeting. However, if any other matters do properly come before the Annual Meeting, it is intended that the proxy holders will vote the shares represented by the proxies in the accompanying form as recommended by the Board or, if no recommendation is given, in accordance with the best judgment of the person voting the proxies.

In the case of any fractional share or unit resulting from the grant, vesting, payment or crediting of dividends under an Award, the Committee shall have the discretionary authority to round such fractional share or unit to the nearest higher whole share or unit, or convert such fractional share or unit into a right to receive a cash payment (unless determined otherwise by the Committee, such fractional share or unit shall be rounded to the nearest higher whole share or unit). All actions, decisions and interpretations of the Committee, the Board and any delegate of the Committee or Board under the Plan or any Award Agreement shall be final, binding, conclusive and non-appealable on all Persons, and shall be given the maximum deference permitted by law. subject to Section 16 of the Exchange Act, the Committee shall be a compensation committee of the Board that at all times consists solely of two or more Non-Employee Directors. c. Delegation of Authority. The Board or the Committee may delegate to a committee of one or more Directors and/or Officers who are not Non-Employee Directors the authority to grant Awards to Eligible Persons who are not then subject to Section 16 of the Exchange Act. In the event of such delegation of authority, all provisions of the Plan relating to the Committee shall be interpreted in a manner consistent with such delegation by treating any reference to the Committee as a reference to the committee or Officers to whom such delegation has been made.

d. Limited Liability; Indemnification. In addition to such other rights of indemnification as they may have as Directors or members of the Committee, and to the maximum extent allowed by the Company's charter, by-laws and Applicable Laws, the Committee shall be indemnified by the Company against the reasonable expenses, including attorney's fees, actually incurred in connection with any action, suit or proceeding or in connection with any appeal therein, to which the Committee may be party by reason of any action taken or failure to act under or in connection with the Plan or any Award granted under the Plan, and against all amounts paid by the Committee in settlement thereof (*provided, however*, that the settlement has been approved by the Company, which approval shall not be unreasonably withheld) or paid by the Committee in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Committee did not act in good faith and in a manner which such person reasonably believed to be in the best interests of the Company, or in the case of a criminal proceeding, had no reason to believe that the conduct complained of was unlawful; *provided, however*, that within 60 days after the institution of any such action, suit or proceeding, such Committee shall, in writing, offer the Company the opportunity at its own expense to handle and defend such action, suit or proceeding.

#### **4. Shares Subject to the Plan.**

a. Aggregate Limit. Subject to adjustment as set forth in Section 4(d), the total number of shares of Common Stock reserved and available for grant and issuance pursuant to Awards under the Plan is equal to 5,125,000~~2,475,000~~ shares (the "Share Reserve"), the full amount of which may be issued under the Plan through the exercise of Incentive Stock Options. For purposes of counting shares against the Share Reserve, Awards denominated in shares of Common Stock and other Awards that may be exercised for, settled in or convertible into shares of Common Stock will be counted against the Plan reserve on the date of grant of the Award based on the maximum number of shares that may be issued pursuant to the Award, as determined by the Committee. Shares of Common Stock delivered under the Plan shall consist of authorized and unissued shares, treasury shares, forfeited shares and/or shares reacquired by the Company in any manner. As of the Effective Date, no further awards shall be made under the Company's 2019 Equity Incentive Plan or any other prior equity incentive plans of the Company (but such plans shall remain in effect as to awards made thereunder that are still outstanding as of the Effective Date).

#### **b. Individual Limits.**

(i) Participants other than Non-Employee Directors. Subject to adjustment under Section 4(d), (A) the maximum number of shares of Common Stock underlying Options and Stock Appreciation Rights that may be granted under the Plan during any calendar year to any one Participant (other than a Non-Employee Director) shall be 500,000 shares; (B) the maximum number of shares of Common Stock subject to Restricted Stock Awards, awards of Restricted Stock Units and Other Stock Based Awards that may be granted under the Plan during any calendar year to any one Participant (other than a Non-Employee Director) shall be 500,000 (where the number of shares earned is dependent on the level of attainment of Performance Goals under a Performance Award, the number of shares counted shall be the number that may be earned at maximum performance); (C) the maximum

## Table of Contents

amount of a Cash Award that may be paid pursuant to Section 11 in any calendar year to any Participant (other than a Non-Employee Director) shall be \$3,000,000.

(ii) Non-Employee Directors. In any director year (as described below), no Non-Employee Director may receive Awards under the Plan that, when combined with cash compensation received for his or her service as a Non-Employee Director during such director year, exceed an aggregate value of \$750,000 (with value of each equity award based on its grant date fair value, determined in accordance with U.S. generally accepted accounting principles). Any cash compensation paid or Awards granted to an individual for his or her service as an Employee, or for his or her services as a Consultant (other than a Non-Employee Director), will not count for purposes of the limitation under this Section. For purposes of the foregoing, a "director year" shall mean the approximate one-year period beginning on the date of a regular annual meeting of the Company's stockholders and ending on the date of the next regular annual meeting of the Company's stockholders.

c. Returned Shares. Any shares of Common Stock subject to an outstanding Award or any portion thereof granted under the Plan will be returned to the Share Reserve and will be available for issuance in connection with subsequent Awards under the Plan to the extent such shares (or the Awards covering such shares) (i) are cancelled, forfeited or settled in cash; (ii) expire by their terms at any time; or (iii) are reacquired by the Company pursuant to a forfeiture provision. Notwithstanding the foregoing, shares subject to an Award shall not again be made available for issuance under the Plan if such shares are surrendered or tendered to pay the Exercise Price or Base Price of such Award or any tax withholding obligation arising in connection with vesting, exercise or settlement of such Award.

d. Adjustments for Changes in Common Stock, Etc. In the event of any change with respect to the outstanding shares of Common Stock by reason of any recapitalization, reclassification, stock dividend, extraordinary dividend, stock split, reverse stock split or other distribution with respect to the shares of Common Stock, or any merger, reorganization, consolidation, combination, spin-off, or other similar corporate change, or any other any relevant change affecting the capitalization of the Company, the Committee shall, in the manner that it, in its sole discretion, determines is appropriate, cause an equitable adjustment or substitution to be made to (i) the maximum number of shares (or other securities or rights) reserved for issuance and future grant from the Share Reserve, (ii) the individual award limits set forth in Section 4(b), (iii) the number and kind of shares (or other securities or rights) subject to then outstanding Awards, (iv) the Exercise Price or Base Price with respect to any Option or Stock Appreciation Right, (v) the Performance Goals applicable to any Award and (vi) any other terms of an Award that are affected by the event. Any such actions shall be taken by the Company in good faith so as to substantially preserve the value, rights and benefits of any affected Awards. In the case of adjustments made pursuant to this Section 4(d), unless the Committee specifically determines that such adjustment is in the best interests of the Company or Affiliates, the Committee shall, in the case of Incentive Stock Options, ensure that any adjustments under this Section 4(d) will not constitute a modification, extension or renewal of the Incentive Stock Options within the meaning of Section 424(h)(3) of the Code, and in the case of Non-Qualified Options and Stock Appreciation Rights, ensure that any adjustments under this Section 4(d) will not constitute a modification of such Non-Qualified Options within the meaning of Section 409A of the Code. Any adjustments made under this Section 4(d) shall be made in a manner which does not adversely affect the exemption provided pursuant to Rule 16b-3 under the Exchange Act. The Company shall give each Participant notice of an adjustment hereunder and, upon notice, such adjustment shall be conclusive and binding for all purposes. In addition, in connection with any of the events described above, the Committee, in its sole discretion, and subject to compliance with Section 409A of the Code may provide that each Award then-outstanding shall terminate in exchange for an equitable payment as determined by the Committee in good faith, which, in the case of Options and Stock Appreciation Rights, may include a cash payment to the extent of the excess, if any, of the then-Fair Market Value of a share of Common Stock subject to the Award, over the Exercise Price or Base Price per share of Common Stock subject to the Award, and in the event that there is no such excess, a payment of zero.

e. Substitute Awards. Awards may, in the sole discretion of the Committee, be granted under the Plan in assumption of, or in substitution for, outstanding awards previously granted by an entity acquired by the

## Table of Contents

Company or an Affiliate or with which the Company or Affiliate combines after the Effective Date (“Substitute Awards”). To the extent permitted by Applicable Law, shares of Common Stock subject to Substitute Awards shall not be counted against the Share Reserve; provided, that, Substitute Awards issued in connection with the assumption of, or in substitution for, outstanding options intended to qualify as “incentive stock options” within the meaning of Section 422 of the Code shall be counted against the share limit applicable to Incentive Stock Options. Notwithstanding any other provision of the Plan, the terms of Substitute Awards may vary from the terms set forth in the Plan to the extent the Committee deems appropriate to conform, in whole or in part, to the provisions of the awards in substitution for which they are granted.

### **5. Eligibility and Awards.**

a. Designation of Participants. Any Eligible Person may be selected by the Committee to receive an Award and become a Participant under the Plan in accordance with the Committee’s authority under Section 3. In selecting Eligible Persons to be Participants, and in determining the type and amount of Awards to be granted under the Plan, the Committee shall consider any and all factors that it deems relevant or appropriate.

b. Determination of Awards. The Committee shall determine the terms and conditions of all Awards granted to Participants in accordance with its authority under Section 3 and other terms of the Plan. An Award may consist of one type of right or benefit hereunder or of two or more such rights or benefits granted in tandem.

c. Award Agreements. Each Award under the Plan shall be evidenced by an Award Agreement in a written or electronic form approved by the Committee setting forth (as applicable) the number of shares of Common Stock, units or other rights subject to the Award, the Exercise Price, Base Price, or purchase price of the Award, the time or times at which an Award will become vested, exercisable, settled or payable, the term of the Award and any Performance Goals applicable to the Award. The Award Agreement may also set forth the effect on an Award of a Change in Control or a termination of Service under certain circumstances. The Award Agreement shall be subject to and incorporate, by reference or otherwise, all of the applicable terms and conditions of the Plan, and may also set forth other terms and conditions applicable to the Award as determined by the Committee consistent with the limitations of the Plan. The grant of an Award under the Plan shall not confer any rights upon the Participant holding such Award other than such terms, and subject to such conditions, as are specified in the Plan as being applicable to such type of Award (or to all Awards) or as are expressly set forth in the Award Agreement.

### **6. Option Awards.**

a. Grant of Options. An Award of an Option may be granted to any Eligible Person selected by the Committee and shall be evidenced by an Award Agreement setting forth the Exercise Price, the term of the Option, the number of shares of Common Stock to which the Option relates, any conditions to the exercise or vesting of all or a portion of the Option and such other terms and conditions as the Committee, in its sole discretion, shall determine. The Award Agreement pertaining to an Option shall designate such Option as an Incentive Stock Option or a Non-Qualified Option. In no event shall an Incentive Stock Option be granted to an individual who is not an employee of the Company or of a “subsidiary corporation” or a “parent corporation,” whether now or hereafter existing, as such terms are defined in Section 424(f) of the Code. To the extent the aggregate Fair Market Value (determined as of the time the Option is granted) of the shares of Common Stock with respect to which an Incentive Stock Option may first become exercisable by a Participant in any one calendar year under the Plan exceeds \$100,000, the Option or portions thereof which exceed such limit (according to the order in which they were granted) shall be treated as Non-Qualified Options. The Company shall have no liability to any Participant, or to any other Person, if an Option (or any portion thereof) that is intended to be an Incentive Stock Option fails to qualify as an Incentive Stock Option at any time or if an Option (or any portion thereof) is determined to constitute “nonqualified deferred compensation” under Section 409A of the Code and the terms of such Option do not satisfy the requirements of Section 409A of the Code.

## Table of Contents

b. Exercise Price. The Exercise Price with respect to shares of Common Stock subject to an Option shall be determined by the Committee in its sole discretion, provided, however, that the Exercise Price per share shall not be less than 100% (or 110% in the case of an Incentive Stock Option granted to a Ten Percent Stockholder) of the Fair Market Value of a share of Common Stock on the Grant Date of such Option. Notwithstanding the foregoing, an Incentive Stock Option may be granted with an Exercise Price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424(a) of the Code, and a Non-Qualified Option may be granted with an Exercise Price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 409A of the Code.

c. Term of Option. The Committee shall determine and set forth in an Award Agreement the term during which an Option may be exercised, provided that in no event shall any Option have a maximum term greater than ten years from the Grant Date (except that the maximum term of an Incentive Stock Option granted to a Ten Percent Stockholder shall be no more than five years from the Grant Date), or such shorter period as set forth in the Award Agreement. Each Option shall terminate, cease to be exercisable and be forfeited not later than the end of the maximum term specified in the Award Agreement pertaining to the Option.

d. Vesting and Exercisability of Options. The Committee shall, in its sole discretion, provide in an Award Agreement the time or times at which, or the conditions upon which, an Option or portion thereof shall become vested and/or exercisable. The Committee may condition the vesting and/or exercisability upon the passage of time (e.g., subject to the Participant's continued Service for specified period) and/or the occurrence of any other event or condition that is established by the Committee and set forth in the Award Agreement. The Committee may, in its sole discretion, provide, in an Award Agreement or other agreement between a Participant and the Company, for the acceleration of vesting and/or exercisability of any Option upon a Participant's termination of Service under specified circumstances or upon the occurrence of other specified events or conditions. To the extent the vesting requirements of an Option are not satisfied, the Option shall be forfeited. In no event may any Option be exercised for a fraction of a share of Common Stock.

e. Termination of Service.

(i) General. Except as otherwise provided in the applicable Award Agreement or other individual written agreement between the Participant and the Company, if a Participant's Service terminates (other than for Cause and other than upon the Participant's death or Disability), the Participant may exercise his or her Option (to the extent that the Option was vested and the Participant was entitled to exercise such Option as of the date of the termination of Service) within the period of time ending on the earlier of (A) 90 days following the termination of the Participant's Service, and (B) the expiration of the term of the Option as set forth in the Plan or Award Agreement. If, after termination of Service, the Participant does not exercise his or her Option within the applicable time frame, the Option will terminate.

(ii) Disability of Participant. Except as otherwise provided in the applicable Award Agreement or other individual written agreement between the Participant and the Company, if a Participant's Service terminates as a result of the Participant's Disability, the Participant may exercise his or her Option (to the extent that the Option was vested and the Participant was entitled to exercise such Option as of the date of termination of Service), but only within such period of time ending on the earlier of (A) the date 12 months following such termination of Service, and (B) the expiration of the term of the Option as set forth in the Award Agreement. If, after termination of Service, the Participant does not exercise his or her Option within the applicable time frame, the Option will terminate.

(iii) Death of Participant. Except as otherwise provided in the applicable Award Agreement or other individual written agreement between the Participant and the Company, if (A) a Participant's Service terminates as a result of the Participant's death, or (B) the Participant dies within the period (if any) specified in the Award Agreement for exercisability after the termination of the Participant's Service for a reason other than death, then the Option

## Table of Contents

may be exercised (to the extent the Option was vested and the Participant was entitled to exercise such Option as of the date of death) by the Participant's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the Option upon the Participant's death, but only within the period ending on the earlier of (A) the date 12 months following the date of death, and (B) the expiration of the term of such Option as set forth in the Award Agreement. If, after the Participant's death, the Option is not exercised within the applicable time frame, the Option will terminate.

(iv) Termination for Cause. Except as provided otherwise in a Participant's Award Agreement or other individual written agreement between the Company and a Participant, if a Participant's Service is terminated by the Company or any Affiliate for Cause, each Option, whether vested or unvested, that is held by such Participant shall terminate, cease to be exercisable/payable and be forfeited as of the date of such termination of Service.

### f. Exercise of Options; Payment

(i) Notice of Exercise. Subject to vesting, exercisability and other restrictions provided for hereunder or otherwise imposed in accordance herewith, an Option may be exercised, in whole or in part, by a Participant only by delivery of written notice (in the form prescribed by the Committee) to the Company specifying the number of shares of Common Stock to be purchased. An Option may not be exercised after it is forfeited or otherwise terminated.

(ii) Payment of Exercise Price. The aggregate Exercise Price shall be paid in full upon the exercise of the Option. Payment must be made by one of the following methods: (A) cash or a certified or bank cashier's check; (B) if and upon the terms approved by the Committee in its sole discretion, by delivery to the Company of previously owned and vested shares of Common Stock, duly endorsed for transfer to the Company, having an aggregate Fair Market Value on the date of exercise equal to the aggregate Exercise Price due for the number of shares being acquired pursuant to such exercise, (C) if and upon the terms approved by the Committee in its sole discretion, through the withholding by the Company of shares of Common Stock otherwise to be received, with such withheld shares of Common Stock having an aggregate Fair Market Value on the date of exercise equal to the aggregate Exercise Price due for the number of shares being acquired; (D) a "cashless" exercise program established with a broker; (E) by any combination of such methods of payment, or (F) any other method approved by the Committee in its sole discretion. Unless otherwise specifically provided in the Option, the Exercise Price that is paid by delivery to the Company of other Common Stock acquired, directly or indirectly from the Company, shall be paid only by shares of the Common Stock that have been held for more than six months (or such longer or shorter period of time required to avoid a charge to earnings for financial accounting purposes). Notwithstanding the foregoing, during any period the Common Stock is publicly traded, an exercise by a Director or Officer that involves or may involve a direct or indirect extension of credit or arrangement of an extension of credit by the Company, directly or indirectly, in violation of Section 402(a) of the Sarbanes-Oxley Act of 2002 shall be prohibited. The Committee may impose limitations and prohibitions on the exercise of Options as it deems appropriate, including, without limitation, any limitation or prohibition designed to avoid accounting consequences which may result from the use of shares of Common Stock as payment of the aggregate Exercise Price.

g. Disqualifying Disposition with respect to Incentive Stock Option. If shares of Common Stock acquired upon the exercise of an Incentive Stock Option are disposed of by a Participant prior to the expiration of (i) two years from the Grant Date of such Option, or (ii) one year from the date of the transfer of shares to the Participant pursuant to the exercise of such Option, or in any other "disqualifying disposition" within the meaning of Section 422 of the Code, such Participant shall notify the Company in writing as soon as practicable thereafter of the date and terms of such disposition and, if the Company (or any Affiliate) thereupon has a tax withholding obligation, shall pay to the Company (or such Affiliate) an amount equal to any withholding tax the Company (or such Affiliate) is required to pay as a result of the disqualifying disposition.

## **7. Stock Appreciation Rights**

a. Grant of Stock Appreciation Rights. An Award of a Stock Appreciation Right may be granted to any Eligible Person selected by the Committee and shall be evidenced by an Award Agreement setting forth the Base Price, the term of the Stock Appreciation Right, the number of shares of Common Stock to which the Stock Appreciation Right relates, any conditions to the exercise of all or a portion of the Stock Appreciation Right and such other terms and conditions as the Committee, in its sole discretion, shall determine. A Stock Appreciation Right may, in the sole discretion of the Committee, be granted in tandem with an Option, and in such event, shall (i) have a Base Price per share equal to the per share Exercise Price of the Option, (ii) be vested and exercisable at the same time or times that a related Option is vested and exercisable, and (iii) expire no later than the time at which the related Option expires.

b. Benefits Upon Exercise. Subject to such terms and conditions as specified in an Award Agreement, a Stock Appreciation Right shall entitle the Participant to receive a payment, upon exercise or other settlement of the Stock Appreciation Right, of an amount determined by multiplying (i) the excess of the Fair Market Value of each share of Common Stock covered by the Stock Appreciation Right on the date of exercise or settlement of the Stock Appreciation Right over the Base Price per share of Common Stock covered by the Stock Appreciation Right, by (ii) the number of shares of Common Stock as to which such Stock Appreciation Right is exercised or settled. Such payment may be in cash, in shares of Common Stock (with or without restriction as to substantial risk of forfeiture and transferability, as determined by the Company in its sole discretion) valued at their Fair Market Value on the date of exercise or other settlement, or in any combination, as the Committee shall determine in the Award Agreement. Upon exercise of a tandem Stock Appreciation Right, the number of shares of Common Stock for which any related Option shall be exercisable shall be reduced by the number of shares for which the Stock Appreciation Right has been exercised. The number of shares of Common Stock for which a tandem Stock Appreciation Right shall be exercisable shall be reduced upon any exercise of any related Option by the number of Shares of Common Stock for which such Option has been exercised.

c. Base Price. The Base Price per share of Common Stock subject to a Stock Appreciation Right shall be determined by the Committee in its sole discretion, provided, however, that the Base Price per share shall not be less than 100% of the Fair Market Value of a share of Common Stock on the Grant Date of such Stock Appreciation Right.

d. Term of Stock Appreciation Right. The Committee shall determine and set forth in an Award Agreement the term during which a vested Stock Appreciation Right may be exercised or settled, provided that in no event shall any Stock Appreciation Right have a maximum term greater than 10 years from the Grant Date, or such shorter period as set forth in the Award Agreement. Each Stock Appreciation Right shall terminate, cease to be exercisable/payable and be forfeited, not later than the end of the maximum term specified in the Agreement pertaining to the Stock Appreciation Right.

e. Vesting and Exercisability of Stock Appreciation Rights. The Committee shall, in its sole discretion, provide in an Award Agreement the time or times at which, or the conditions upon which, a Stock Appreciation Right or portion thereof shall become vested, exercisable and/or settled. The Committee may condition the vesting and/or exercisability upon the passage of time (e.g., subject to the Participant's continued Service for a specified period) and/or the occurrence of any other event or condition that is established by the Committee and set forth in the Award Agreement. The Committee may, in its sole discretion, provide, in an Award Agreement or other written agreement between a Participant and the Company, for the acceleration of vesting and/or exercisability of any Stock Appreciation Right upon a Participant's termination of Service under specified circumstances or upon the occurrence of other specified events or conditions. To the extent the vesting requirements of a Stock Appreciation Right are not satisfied, the Stock Appreciation Right shall be forfeited.

f. Notice of Exercise. Subject to vesting, exercisability and other restrictions provided for hereunder or otherwise imposed in accordance herewith, a Stock Appreciation Right may be exercised, in whole or in part, by a

## [Table of Contents](#)

Participant only by delivery of written notice (in the form prescribed by the Committee) to the Company specifying the number of shares of Common Stock with respect to which the exercise applies. A Stock Appreciation Right may not be exercised after it is forfeited or otherwise terminated.

g. Termination of Service. The same rules of Section 6(e) that apply to Options regarding termination of Service shall also apply to Stock Appreciation Rights.

### **8. Restricted Stock Awards.**

a. Grant of Restricted Stock. A Restricted Stock Award may be granted to any Eligible Person selected by the Committee and shall be evidenced by an Award Agreement setting forth the number of shares of Common Stock subject to the Restricted Stock Award, the payment (if any) required for such shares, the vesting restrictions applicable to such shares and such other terms and conditions as the Committee, in its sole discretion, shall determine. The Committee may require that certificates representing the shares of Common Stock issued pursuant to a Restricted Stock Award bear a legend making appropriate reference to the restrictions imposed, and that certificates representing such shares will remain in the physical custody of the Company or an escrow holder until all restrictions are removed or have expired. The Committee may also require the Participant to execute and deliver to the Company (i) an escrow agreement satisfactory to the Committee, if applicable, and (ii) the appropriate blank stock power with respect to the shares of Common Stock covered by such agreement. If a Participant fails to execute an agreement evidencing a Restricted Stock Award and, if applicable, an escrow agreement and stock power, the Award shall be null and void.

b. Vesting of Restricted Stock Awards. The Committee shall, in its sole discretion, provide in an Award Agreement the time or times at which, or the conditions upon which, a Restricted Stock Award shall vest. The restrictions imposed on shares of Common Stock granted under a Restricted Stock Award shall lapse in accordance with the vesting requirements specified by the Committee in the Award Agreement. The Committee may condition the vesting upon the passage of time (e.g., subject to the Participant's continued Service for a specified period) and/or the occurrence of any other event or condition that is established by the Committee and set forth in the Award Agreement. The Committee may, in its sole discretion, provide, in an Award Agreement or other agreement between a Participant and the Company, for the acceleration of vesting of a Restricted Stock Award upon a Participant's termination of Service under specified circumstances or upon the occurrence of other specified events or conditions. If the vesting requirements applicable to a Restricted Stock Award are not satisfied, the shares subject to the Award shall automatically be forfeited, the Participant shall assign, transfer, and deliver any certificates evidencing ownership of such shares to the Company, and the Participant shall cease for all purposes to be a stockholder with respect to such shares. If the Participant paid for such forfeited shares in cash or other tangible consideration, then, unless otherwise provided by the Committee in an Award Agreement, the Company will refund to the Participant the lesser of (i) the amount originally paid by the Participant for such shares and (ii) the Fair Market Value of such shares on the date of forfeiture. Without limiting [Section 8\(a\)](#), by acceptance of a Restricted Stock Award, the Participant shall be deemed to appoint, and does so appoint by execution of the Award Agreement, the Company and each of its authorized representatives as the Participant's attorneys-in-fact to effect the transfer of forfeited shares subject to the Restricted Stock Award.

c. Nontransferability. Shares granted under any Restricted Stock Award may not be transferred, assigned or subject to any encumbrance, pledge, or charge unless and until (i) the vesting conditions applicable to the Award have been achieved, and (ii) the other restrictions on transferability applicable to Common Stock set forth in the Plan, the Award Agreement or otherwise have been satisfied.

d. Rights as a Stockholder. Subject to the foregoing provisions of this Section 8 and, unless otherwise stated in the applicable Award Agreement, a Participant generally shall have the rights and privileges of a stockholder with respect to shares of Common Stock granted to the Participant under a Restricted Stock Award, including the right to vote such shares and the right to receive dividends and distributions with respect such shares. However, unless provided otherwise in an Award Agreement, all cash and stock dividends and distributions shall be held back by

## Table of Contents

the Company for the Participant's account until such time as the related portion of the Restricted Stock Award vests (at which time such dividends or distributions, as applicable, shall be released and paid) and if such related portion of the Restricted Stock Award is forfeited, such dividends or distributions, as applicable, will be forfeited.

e. Section 83(b) Election. If a Participant makes an election pursuant to Section 83(b) of the Code with respect to a Restricted Stock Award, the Participant shall file, within 30 days following the date of grant of the Award, a copy of such election with the Company and with the Internal Revenue Service, in accordance with the regulations under Section 83 of the Code. The Committee may provide in an Award Agreement that the Restricted Stock Award is conditioned upon the Participant's making or refraining from making an election with respect to the Award under Section 83(b) of the Code.

### **9. Restricted Stock Unit Awards.**

a. Grant of Restricted Stock Units. An Award of hypothetical Common Stock units ("Restricted Stock Units") having a value equal to the Fair Market Value of an identical number of shares of Common Stock may be granted to any Eligible Person selected by the Committee and shall be evidenced by an Award Agreement setting forth the number of shares of Restricted Stock Units subject to the Award, the vesting and/or earnings conditions applicable to the Restricted Stock Units, the timing for settlement of the Restricted Stock Units and such other terms and conditions as the Committee, in its sole discretion, shall determine. No shares of Common Stock shall be issued at the time a Restricted Stock Unit is granted, and the Company will not be required to set aside funds for the payment of any such Award. A Participant shall have no voting rights with respect to any Restricted Stock Units granted hereunder.

b. Vesting of Restricted Stock Units. The Committee shall, in its sole discretion, provide in an Award Agreement the time or times at which, or the conditions upon which, Restricted Stock Units shall vest and/or be settled. The Committee may condition the vesting upon the passage of time (e.g., subject to the Participant's continued Service as of a specified date) and/or the occurrence of any other event or condition that is established by the Committee and set forth in the Award Agreement. The Committee may, in its sole discretion, provide, in an Award Agreement or other agreement between a Participant and the Company, for the acceleration of vesting of any Restricted Stock Units upon a Participant's termination of Service under specified circumstances or upon the occurrence of other specified events or conditions. If the vesting requirements applicable to Restricted Stock Units are not satisfied, such units shall automatically be forfeited.

c. Dividend Equivalent Rights. The Committee may permit Participants holding Restricted Stock Units to receive Dividend Equivalent Rights on outstanding Restricted Stock Units if dividends are paid to stockholders on shares of Common Stock. If so permitted by the Committee, such Dividend Equivalent Rights may be paid in cash or shares of Common Stock (in the sole discretion of the Committee), and will be payable to the Participant upon settlement of the Restricted Stock Units to which the Dividend Equivalent Rights relate and, to the extent such Restricted Stock Units are forfeited, the Participant shall have no right to payment in respect of the Dividend Equivalent Rights. If the Committee permits Dividend Equivalent Rights to be made on Restricted Stock Units, the terms and conditions for such Dividend Equivalent Rights will be set forth in the applicable Award Agreement.

d. Settlement. At the time of settlement of a vested Restricted Stock Unit (which may be upon or following vesting of the Award, as set forth in the Award Agreement), the Company shall deliver to the Participant, or his or her beneficiary, without charge, one share of Common Stock for each such outstanding vested Restricted Stock Unit and cash equal to any Dividend Equivalents credited with respect to each such vested Restricted Stock Unit and any interest thereon (or, at the discretion of the Committee, in shares of Common Stock having a Fair Market Value equal to such Dividend Equivalents and the interest thereon, if any); *provided, however*, that, if explicitly provided in the applicable Award Agreement, the Committee may, in its sole discretion, elect to pay cash or part cash and part Common Stock in lieu of delivering only shares of Common Stock for vested

## Table of Contents

Restricted Stock Units. If a cash payment is made in lieu of delivering shares of Common Stock, the amount of such payment shall be equal to the Fair Market Value of the Common Stock as of the date on which the Restricted Stock Unit vested (or specified deferred settlement date, if later).

### **10. Performance Awards.**

a. Types of Performance Awards. In the discretion of the Committee, a Performance Award may be granted to any Eligible Person as an Option, Stock Appreciation Right, Restricted Stock Award, Restricted Stock Unit Award, Other Stock-Based Award or Cash Award.

b. Terms of Performance Awards. Performance Awards will be based on the attainment of Performance Goals that are established by the Committee for the relevant Performance Period. Prior to the grant of any Performance Award, the Committee will determine and each Award Agreement shall set forth the terms of each Performance Award, including, without limitation: (i) the nature, length and starting date of any Performance Period; (ii) the Performance Goals that shall be used to determine the time and extent to which a Performance Award has been earned; (iii) amount of any cash bonus, or the number of shares of Common Stock deemed subject to a Performance Award, and (iv) the effect of a termination of Participant's Service on a Performance Award. Participants may participate simultaneously with respect to Performance Awards that are subject to different Performance Periods and Performance Goals. A Performance Award may but need not require the Participant's completion of a specified period of Service.

c. Determination of Achievement. The Committee shall determine the extent to which a Performance Award has been earned in its sole discretion, including the extent to which Performance Goals have been attained, and the degree of achievement between minimum and maximum levels. The Committee may reduce or waive any criteria with respect to a Performance Goal, or adjust a Performance Goal (or method of calculating the attainment of a Performance Goal) to take into account unanticipated events, including changes in law and accounting or tax rules, as the Committee deems necessary or appropriate, or to reflect the impact of extraordinary or unusual items, events or circumstances to avoid windfalls or hardships. The Committee may also adjust or eliminate the compensation or economic benefit due upon attainment of Performance Goals in its sole discretion, subject to any limitations contained in the Award Agreement and compliance with Applicable Law.

### **11. Other Stock-Based Awards and Cash Awards.**

a. Other Stock-Based Awards. The Committee may grant, either alone or in tandem with other Awards, to any Eligible Person an Other Stock-Based Award that is payable in, valued in whole or in part by reference to, or otherwise based or related to shares of Common Stock, including, but not limited to, shares of Common Stock awarded as a bonus or other compensation which are issued without restrictions on transfer and other incidents of ownership and free from forfeiture conditions (other than those that generally apply to shares of Common Stock under the Plan). An Other Stock-Based Award shall be evidenced by an Award Agreement setting forth the number of shares of Common Stock subject to the Award, any payment required for such Award, any vesting conditions applicable to the Award and such other terms and conditions as the Committee, in its sole discretion, shall determine.

b. Cash Awards. The Committee may grant, to any Eligible Person, a Cash Award that is payable contingent upon the attainment during a Performance Period of certain Performance Goals and/or such other terms as the Committee may determine ("Cash Award"). A Cash Award may also require the completion of a specified period of Service. The degree to which Performance Goals applicable to a Cash Award have been attained will be conclusively determined by the Committee, in its sole discretion. The Committee may specify the form of payment of Cash Awards, which may be cash or other property, or may provide for a Participant to have the option for his or her Cash Award, or such portion thereof as the Committee may specify, to be paid in whole or in part in cash or other property.

## 12. Forfeiture Events

a. General. The Committee may specify in an Award Agreement that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events. Such events may include, without limitation, a termination of Service for Cause and/or breach of noncompetition, confidentiality or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is materially detrimental to the business or reputation of the Company. The Committee shall have the power to determine whether the Participant has been terminated for Cause and the date upon which such termination for Cause occurs. Any such determination shall be final, conclusive and binding upon the Participant. In addition, if the Company shall reasonably determine that a Participant has committed or may have committed any act which could constitute the basis for a termination of such Participant's Service for Cause, the Committee may, subject to compliance with Applicable Law, suspend the Participant's rights to exercise any Option or Stock Appreciation Right, receive any payment or vest in any right with respect to any Award pending a determination by the Company of whether an act has been committed which could constitute the basis for a termination for Cause.

b. Right of Recapture. Unless otherwise provided in an Award Agreement, if at any time within 1 year after the date on which a Participant exercises an Option or Stock Appreciation Right or on which another Award vests or becomes payable, or on which income otherwise is realized by a Participant in connection with an Award,

(i) a Participant's Service is terminated for Cause, or

(ii) the Committee determines in its sole discretion either that, (A) while in Service, the Participant had engaged in an act which would have warranted termination for Cause, or (B) after termination of Service for any reason, the Participant has engaged in conduct that violates any continuing obligation or duty of the Participant in respect of the Company, or any Affiliate,

then any gain realized by the Participant from the exercise, vesting, payment or other realization of income by the Participant in connection with an Award, shall be paid by the Participant to the Company upon notice from the Committee. Such gain shall be determined as of the date on which the gain is realized by the Participant, without regard to any subsequent change in the Fair Market Value of a share of Common Stock. The Company shall have the right to offset such gain against any amounts otherwise owed to the Participant by the Company (whether as wages, vacation pay or pursuant to any benefit plan or other compensatory arrangement), subject to compliance with Section 409A of the Code and other Applicable Law. The foregoing shall apply in addition to any other relief available to the Company or any of its Affiliates at law or otherwise and without limiting the ability of the Company or any of its Affiliates to pursue the same.

c. Clawback/Recovery. All Awards granted under the Plan will be subject to recoupment in accordance with any clawback policy that the Company is required to adopt pursuant to the listing standards of any national securities exchange or association on which the Company's securities are listed or as is otherwise required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other Applicable Law. In addition, the Board may impose such other clawback, recovery or recoupment provisions in an Award Agreement or compensation clawback policy as the Board determines necessary or appropriate, including but not limited to a reacquisition right in respect of previously acquired shares of Common Stock or other cash or property upon the occurrence of an event constituting Cause. No recovery of compensation under such a clawback policy will be an event giving rise to a right to voluntarily terminate employment upon a "resignation for good reason," or for a "constructive termination" or any similar term under any plan of or agreement with the Company or any Affiliate. Without limiting the generality of the foregoing, any such clawback policy of the Company, whether required by applicable listing standards or law, or otherwise adopted by the Board in its discretion, may provide that if a Participant, regardless of his or her position with the Company, receives compensation pursuant to an Award under the Plan based on financial statements that are subsequently required to be restated in a way that would decrease the value of such compensation, the Participant will forfeit and repay to the Company the difference

between what the Participant received and what the Participant should have received based on the accounting restatement. By accepting an Award hereunder, the Participant acknowledges and agrees that any such policy shall apply to such Award, and all compensation payable pursuant to such Award shall be subject to forfeiture and repayment pursuant to the terms of such policy. Although not required to give effect to the provisions of this Section 12(c), the Committee may, as it deems appropriate, amend the Plan to reflect the terms of any such policy.

13. **Change in Control.** Notwithstanding any provision of the Plan to the contrary, in the event of a Change in Control, outstanding Awards under the Plan shall be subject to the agreement pursuant to which the Change in Control takes place (or to such treatment as the Committee otherwise determines), which need not treat all outstanding Awards or Participants in an identical manner. Such agreement (or other treatment), without the Participant's consent, may provide for one or more of the following with respect to Awards outstanding as of or immediately prior to the effective date of the Change in Control:

a. The continuation of any outstanding Awards by the Company (if the Company is the surviving entity);

b. The assumption of any outstanding Awards by the acquirer or surviving entity or its parent or subsidiary in a manner that complies with Sections 424(a) and 409A of the Code (as applicable), or the substitution by the successor or acquiring entity or its parent or subsidiary of equivalent awards with substantially the same terms for such outstanding Award in a manner that complies with Sections 424(a) and 409A of the Code (as applicable);

c. Full or partial acceleration of vesting and/or, if applicable, exercisability, of any Awards, and, in the case of Options or Stock Appreciation Rights, followed by the cancellation of such Options or Stock Appreciation Rights, if not exercised within a time period prior to the Change in Control, as specified by the Committee. The full or partial exercisability of such Awards and full or partial vesting of any Awards may be contingent on the closing of such Change in Control. Any exercise of Options or Stock Appreciation Rights during such period may be contingent on the closing of such Change in Control;

d. With respect to Performance Awards, the cessation, upon the date of the Change in Control, of any incomplete Performance Periods applicable to such Awards, with the Committee determining the extent to which the Performance Goals applicable to such Awards have been attained as of the date of the Change in Control based on such audited or unaudited financial information then available as the Committee deems appropriate, and partial or full payment to the Participant in respect of such Awards based on such determination by the Committee, or, if not determinable, with the assumption that the applicable "target" level of performance has been attained, or on such other basis determined by the Committee;

e. The settlement of Awards (whether or not then vested or exercisable) in cash, cash equivalents, or securities of the successor entity (or its parent, if any) with a fair market value (as determined by the Committee) equal to the required amount provided in the agreement pursuant to which the Change in Control occurs, followed by the cancellation of such Awards; provided however, that such Award may be cancelled without consideration if such Award has no value, as determined by the Committee in its sole discretion. Subject to compliance with Section 409A of the Code, such payment may be made in installments and may be deferred until the date or dates the Award would have become exercisable or vested. Such payment may be subject to vesting based on the Participant's continuous Service, provided that the vesting schedule shall not be less favorable to the Participant than the schedule under which the Award would have become vested or exercisable. For purposes of this paragraph, the Fair Market Value of any security shall be determined without regard to any vesting conditions that may apply to such security. Further, subject to compliance with Section 409A of the Code, the Participant may be required to bear his or her pro rata share of any post-closing indemnity obligations with respect to the Award and settlement of the Award may be subject to the same post-closing purchase price adjustments, escrow terms, offset rights, holdback terms, and similar conditions as the holders of Common Stock.

## Table of Contents

Without limitation of the foregoing, in the case of Options and/or Stock Appreciation Rights, such settlement may, at the discretion of the Committee, include payment to one or more Participants holding such Options or Stock Appreciation Rights equal to the excess, if any, of (i) the Fair Market Value of the shares subject to each such Option or Stock Appreciation Right (whether or not such Option or Stock Appreciation Right is then vested or exercisable) as of the closing date of such Change in Control over (ii) aggregate Exercise Price or Base Price of such Option or Stock Appreciation Right. With respect to any or every Option or Stock Appreciation Right that has a per share Exercise Price or Base Price that equals or exceeds the Fair Market Value per share of Common Stock as of the closing of the Change in Control, the Committee, in its discretion, may provide for the cancellation of such Option or Stock Appreciation Right without any payment to the Participant therefor; and/or

f. The cancellation of unvested Awards (or portion thereof) in exchange for no consideration. Unless otherwise determined by the Committee and evidenced in an Award Agreement (or as otherwise determined by the Committee), in the event of a Change in Control and either (i) an outstanding Award is not assumed or substituted in connection with the Change in Control, or (ii) an outstanding Award is assumed or substituted in connection therewith but the Participant's Service is terminated by the Company (or its successor or affiliate) without Cause within twelve (12) months after the Change in Control, then: (A) any unvested or unexercisable portion of any Award carrying a right to exercise shall become fully vested and exercisable, and (B) the restrictions (including exercise restrictions), deferral limitations, payment conditions and forfeiture conditions applicable to an Award granted will lapse and such Award will be deemed fully vested, and any performance conditions on the Award will be deemed achieved based on actual performance levels as determined by the Committee. For purposes of the preceding sentence, an Award shall be considered to be assumed or substituted for if, following the Change in Control, the Award remains subject to the same terms and conditions that were applicable to the Award immediately prior to the Change in Control except that, if the Award related to shares of Common Stock, the award instead confers the right to receive, or otherwise relates to, common stock of the acquiring or surviving entity (with adjustment to such number of shares subject to the Award as determined by the Committee). For the avoidance of doubt, the Committee may accelerate the vesting of or waive restrictions on awards in whole or in part at any time, for any reason (subject to compliance with Section 409A of the Code, to the extent applicable to the Award).

### **14. General Provisions**

a. Additional Documentation. The Company may, at any time, require a Participant to execute any additional documents or instruments necessary or desirable, as determined by the Committee, to carry out the purposes or intent of any Award and/or to facilitate compliance with securities, tax and/or other regulatory requirements. Any such additional documents or instructions may, but need not be, appended to an Award Agreement.

b. Restrictions on Transfer of Awards. Except as expressly provided in the Plan or an applicable Award Agreement, or otherwise determined by the Committee, no Participant may sell, transfer, assign, pledge, donate or otherwise dispose of (including any transfer by operation of law or involuntary transfer) Awards or any interest therein for any reason during the Participant's lifetime, and any attempt to do so shall be void and shall result in the relevant Award being forfeited. The Committee may grant Awards (except Incentive Stock Options) that are transferable by the Participant during his or her lifetime, but such Awards shall be transferable only to the extent specifically provided in such Participant's Award Agreement. In the event of the death of a Participant, an Award may be transferred by will or the laws of descent or distribution. The transferee of the Participant shall, in all cases, be subject to the provisions of the Award Agreement and the terms and conditions of this Plan. Unless otherwise determined by the Committee, an Option or Stock Appreciation Right may be exercised during the lifetime of the Participant, only by the Participant or, during the period the Participant is under a legal disability, by the Participant's guardian or legal representative.

c. Rights as a Stockholder. A Participant shall have no rights as a holder of shares of Common Stock with respect to any unissued securities covered by an Award until the date the Participant becomes the holder of record of such securities (except for any Dividend Equivalent Rights permitted by an applicable Award Agreement).

## Table of Contents

Except as otherwise provided for in the Plan or an Award Agreement, after shares of Common Stock are issued to the Participant, the Participant will be a stockholder and have all the rights of a stockholder with respect to such shares, including the right to vote and receive dividends or other distributions.

d. Prohibition Against Exchange and Buyout of Awards. Notwithstanding any provision of the Plan to the contrary, except in connection with a corporate transaction involving the Company (including, without limitation, a Change in Control or any transaction or event described in Section 4(d)), the Committee shall not, without the approval of the Company's stockholders, (i) reduce the Exercise Price of an Option or reduce the Base Price of a Stock Appreciation Right after it is granted, (ii) cancel any outstanding Option or Stock Appreciation Right in exchange for another Award, or Option or Stock Appreciation Right with an Exercise Price or Base Price, as applicable, that is less than the Exercise Price or Base Price of the original Option or Stock Appreciation Right, (iii) cancel an outstanding Option or Stock Appreciation Right when the Exercise Price or Base Price, as applicable, exceeds the Fair Market Value of a share of the Common Stock in exchange for cash or other securities, or (iv) take any other action with respect to an Option or Stock Appreciation Right that would be treated as a repricing under the rules and regulations of the principal securities market on which the Common Stock is traded. Any amendment or repeal of this Section 14(d) shall require the approval of the stockholders of the Company.

e. Deferrals of Payment. To the extent permitted by Applicable Law, the Committee, in its sole discretion, may determine that the delivery of shares of Common Stock or the payment of cash, upon the exercise, vesting or settlement of all or a portion of any Award shall or may be deferred and may establish programs and procedures for deferral elections to be made by Participants. Deferrals by Participants (or deferred settlement or payment required by the Committee) will be made in accordance with Section 409A of the Code, if applicable, and any other Applicable Law.

f. Acceleration of Exercisability and Vesting. The Committee shall have the power and authority to accelerate the time at which an Award or any part thereof may be exercised or the time at which an Award or any part thereof will vest, notwithstanding the provisions in the Award stating the time at which an award may be exercised or the time at which it will vest. Any such acceleration shall be subject to compliance with Section 409A of the Code, to the extent applicable to the Award.

g. Corporate Action Constituting Grant of Awards. Corporate action constituting a grant by the Company of an Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (e.g., Board consents, resolutions or minutes) documenting the corporate action approving the grant contain terms (e.g., Exercise Price, Base Price, vesting schedule or number of shares) that are inconsistent with those in the Award Agreement or related grant documents as a result of a clerical error in the papering of the Award Agreement or related grant documents, the corporate records will control and the Participant will have no legally binding right to the incorrect term in the Award Agreement or related grant documents.

h. Securities Law Compliance.

(i) General. No shares of Common Stock shall be purchased, sold or otherwise issued pursuant to any Award unless and until (A) any then applicable requirements of state or federal laws and regulatory agencies have been fully complied with to the satisfaction of the Committee and its counsel and (B) if required to do so by the Committee, the Participant has executed and delivered to the Company a letter of investment intent in such form and containing such provisions as the Committee may require in its sole discretion.

(ii) Section 16. It is the intent of the Company that the Plan satisfy, and be interpreted in a manner that satisfies, the applicable requirements of Rule 16b-3 as promulgated under Section 16 of the Exchange Act so that Participants will be entitled to the benefit of Rule 16b-3, or any other rule promulgated under Section 16 of the

## Table of Contents

Exchange Act, and will not be subject to short-swing liability under Section 16 of the Exchange Act. Accordingly, if the operation of any provision of the Plan would conflict with the intent expressed in this subsection, such provision to the extent possible shall be interpreted and/or deemed amended so as to avoid such conflict.

i. Tax Withholding. All Awards (including the issuance or vesting of shares or payment of cash pursuant to an Award) shall be subject to all applicable tax withholding. Prior to the delivery of any shares of Common Stock or cash pursuant to an Award (or exercise thereof) or such earlier time as any tax withholdings are due, the Company will have the power and right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy U.S. federal, state, or local taxes, non-U.S. taxes, or other taxes (including the Participant's FICA obligation) required to be withheld with respect to such Award. The Committee, or its delegate(s), as permitted by Applicable Law, in its sole discretion and pursuant to such procedures as it may specify from time to time and subject to limitations of Applicable Law, may require or permit a Participant to satisfy any applicable tax withholding obligations, in whole or in part by (without limitation) (A) requiring the Participant to make a cash payment, (B) withholding from the Participant's wages or other cash compensation paid to the Participant by the Company or any Affiliate; (C) withholding from the shares of Common Stock otherwise issuable pursuant to an Award; (D) permitting the Participant to deliver to the Company already-owned shares of Common Stock, (E) withholding from the proceeds of the sale of otherwise deliverable shares of Common Stock acquired pursuant to an Award either through a voluntary sale or through a mandatory sale arranged by the Company or (F) such other means as the Committee shall deem appropriate.

j. Section 409A Compliance. It is intended that this Plan and any Awards will comply with, or avoid application of, the provisions of Section 409A of the Code, and they shall be interpreted and construed on a basis consistent with that intent. Notwithstanding anything to the contrary in this Plan (and unless the Award Agreement specifically provides otherwise), if the shares of Common Stock are publicly traded, and if a Participant holding an Award that constitutes "nonqualified deferred compensation" under Section 409A of the Code is a "specified employee" for purposes of Section 409A of the Code, no distribution or payment of any amount that is due because of a "separation from service" (as defined in Section 409A of the Code without regard to alternative definitions thereunder) will be issued or paid before the date that is six months following the date of such Participant's "separation from service" or, if earlier, the date of the Participant's death, unless such distribution or payment can be made in a manner that complies with Section 409A of the Code, and any amounts so deferred will be paid in a lump sum (without interest) on the day after such six month period elapses, with the balance paid thereafter on the original schedule. Notwithstanding the foregoing, the Company and its Affiliates and their respective employees, officers and directors shall have no liability whatsoever to a Participant nor any other Person (i) if an Award that is intended to be exempt from, or compliant with, Section 409A of the Code is not so exempt or compliant, or (ii) in respect of any decision to take action to attempt to comply with Section 409A of the Code, any omission to take such action or for the failure of any action taken by the Company to so comply. Notwithstanding the foregoing, in the sole discretion of the Committee, the Company may, but is under no obligation to, agree to pay all or a portion of the individual tax liability of one or more Participants whose awards do not satisfy the conditions for exemption under Section 409A of the Code.

k. No Obligation to Notify or Minimize Taxes. The Company shall have no duty or obligation to any Participant to advise such holder as to the time or manner of exercising an Award. Furthermore, the Company shall have no duty or obligation to warn or otherwise advise any Participant of a pending termination or expiration of any Award or a possible period in which the Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of any Award.

l. Unfunded Plan. The adoption of the Plan and any reservation of shares of Common Stock or cash amounts by the Company to discharge its obligations hereunder shall not be deemed to create a trust or other funded arrangement. Except upon the issuance of Common Stock pursuant to an Award, any rights of a Participant under the Plan shall be those of a general unsecured creditor of the Company, and neither a Participant nor the Participant's permitted transferees or estate shall have any other interest in any assets of the Company by virtue

## Table of Contents

of the Plan. The Plan is not intended to be a plan that is subject to the Employee Retirement Income Security Act of 1974, as amended, and shall be interpreted accordingly.

m. Stop Transfer Orders. All certificates for shares of Common Stock delivered under the Plan pursuant to any Award shall be subject to such stop-transfer orders and other restrictions as the Committee may deem advisable under Applicable Law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

n. Other Compensation and Benefit Plans. The adoption of the Plan shall not affect any other share incentive or other compensation plans in effect for the Company or any of its Affiliates, nor shall the Plan preclude the Company from establishing any other forms of share incentive or other compensation or benefit program for employees of the Company or any of its Affiliates. The amount of any compensation deemed to be received by a Participant pursuant to an Award shall not constitute includable compensation for purposes of determining the amount of benefits to which a Participant is entitled under any other compensation or benefit plan or program of the Company or an Affiliate, including, without limitation, under any pension or severance benefits plan, except to the extent specifically provided by the terms of any such plan.

o. Plan Binding on Transferees. The Plan shall be binding upon the Company, its successors, transferees and assigns, and the Participant, the Participant's executor, administrator and permitted transferees and beneficiaries.

p. Severability. Whenever possible, each provision of this Plan will be interpreted in such manner as to be effective and valid under Applicable Law, but if any provision of this Plan is held to be invalid, illegal or unenforceable in any respect under any Applicable Law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or the enforceability of this Plan in any other jurisdiction, but this Plan will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

q. Foreign Award Recipients. Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws and practices in other countries in which the Company and its Affiliates operate or have Employees or other Eligible Persons, the Committee, in its sole discretion, will have the power and authority to: (i) determine which Affiliates will be covered by the Plan; (ii) determine which individuals outside the United States are eligible to participate in the Plan; (iii) modify the terms and conditions of any Award granted to individuals outside the United States or foreign nationals to comply with applicable foreign laws, policies, customs and practices; (iv) establish subplans and modify exercise procedures and other terms and procedures, to the extent the Committee determines such actions to be necessary or advisable (and such subplans and/or modifications will be attached to this Plan as appendices); provided, however, that no such subplans and/or modifications will increase the share limitations contained in Section 4(a); and (v) take any action, before or after an Award is made, that the Committee determines to be necessary or advisable to obtain approval or comply with any local governmental regulatory exemptions or approvals. Notwithstanding the foregoing, the Committee may not take any actions under the Plan, and no Awards will be granted, that would violate the Exchange Act or any other applicable United States securities law, the Code, or any other applicable United States governing statute or law.

r. No Continued Service Rights. Neither the Plan nor any Award granted hereunder shall confer on any Participant any right to continuation of the Participant's employment or other service relationship with the Company or its Affiliates, nor shall it interfere in any way with such Participant's right or the right of the Company or its Affiliates to terminate such relationship, with or without Cause.

s. Governing Law. All issues concerning this Plan will be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the law of any jurisdiction other than the State of Delaware.

### 15. Amendment and Termination.

a. Amendment. The Board at any time, and from time to time, may amend the Plan in any respect that it deems necessary or advisable, subject to the limitations of Applicable Law and this Section 15. If required by Applicable Law, the Company will seek stockholder approval of any amendment of the Plan that (i) materially increases the number of shares of Common Stock available for issuance under the Plan (except as provided in Section 4(d)) relating to adjustments upon changes in Common Stock), (ii) materially expands the class of individuals eligible to receive Awards under the Plan, (iii) materially increases the benefits accruing to Participants under the Plan, (iv) materially reduces the price at which Common Stock may be issued or purchased under the Plan, (v) materially extends the term of the Plan, (vi) materially expands the types of Awards available for issuance under the Plan, or (vii) as otherwise required by Applicable Law. The Committee at any time, and from time to time, may amend the terms of any one or more Awards, subject to the limitations of this Section 15.

b. Termination. The Plan shall terminate automatically on the 10th anniversary of the Effective Date. The Board at any earlier time may suspend or terminate the Plan. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated, but Awards previously granted may extend beyond suspension or termination of the Plan. Termination of the Plan shall not affect the Board's or the Committee's ability to exercise the powers granted to it under the Plan with respect to Awards granted or awarded under the Plan prior to the date of such termination.

c. No Impairment. No amendment, suspension or termination of the Plan or any Award pursuant to this Section 15 may materially impair a Participant's rights under any outstanding Award, except with the written consent of the affected Participant or as may otherwise be expressly permitted in the Plan. Notwithstanding the foregoing, subject to the limitations of Applicable Law, if any, the Committee may amend the terms of any one or more Awards without the affected Participant's consent (i) to maintain the qualified status of the Award as an Incentive Stock Option under Section 422 of the Code; (ii) to clarify the manner of exemption from, or to bring the Award into compliance with, Section 409A of the Code; or (iii) to facilitate compliance with other Applicable Laws.
